The April, 1955 National Renaissance Bulletin, official NRP publication, listed headquarters at 10 West 90th Street, New York City.

The NRP was the subject of a preliminary report on neo-Fascist and hate groups published by the House Committee on Un-American Activities on December 17, 1954, which stated that this neo-Fascist group's activities and propaganda are clearly subversive and un-American.

[ ] Bureau of Special Services, New York City Police Department, indicated on August 6, 1956, that their records contained the following background information on JAMES MADOLE, leader of the NRP:

b2  
b7C  
b7D

NY 105-6129

He said the subject's father was JAMES MADOLE, deceased, and his mother is GRACE MADOLE, who resides with the subject at apartment 8, 10 West 90th Street, New York City. He stated that he had resided at this address since May 3, 1954, when they moved there from 224 Main Street, Beacon, New York. He stated that GRACE MADOLE is regularly employed and apparently furnishes support for the subject, who has difficulty holding a job. He stated the subject graduated from Beacon High School in June, 1945 and had no other education. He described the subject as 28 years old, 5' 10", 130 pounds, fair complexion, partially bald with blond hair and single.

[redacted] indicated that the Bureau of Criminal Identification, New York City, had no record identifiable with the subject.

On March 15, 1956, a Special Agent of the Federal Bureau of Investigation observed JAMES MADOLE leaving his residence at 10 West 90th Street, New York City, and entering a building at 271 Madison Avenue, New York City.

On March 28, 1956, Special Agents of the Federal Bureau of Investigation observed MADOLE entering the offices of L. F. Dommerick and Co., 271 Madison Avenue, New York City.

A telephonic inquiry on August 22, 1956, to L. F. Dommerick and Co., Murray Hill 3-8650, revealed that JAMES H. MADOLE is presently employed at this firm in [redacted] division.

[redacted] indicated on August 17, 1956, that the subject continues to reside at 10 West 90th Street and continues his position of national leader of the NRP. He stated that MADOLE has complete control over its activities and is the principal speaker at party meetings. He stated that MADOLE also has control over all publications and party literature and distribution of this literature which is anti-Semitic, neo-Fascist, and anti-Negro in content.

[redacted] added that MADOLE was the original organizer of the NRP and has been national leader throughout its seven year existence.

b2  
b7C  
b7D

NY 105-6129

[ ] indicated on July 15, 1953 that MADOLE had been the leader of the NRP throughout its existence and that it was his personal zeal and continued work that had kept it in existence. He said that MADOLE had been very sickly as a child having an ~~asthmatic~~ condition and was raised by his mother inasmuch as his father had died when he was quite young.

[ ] stated that MADOLE probably had a fixation on his mother and that his political activities had been encouraged and directed by his mother since the time that MADOLE was in high school. He stated that MADOLE had appeared at all the meetings which have ever been held by the NRP as its principal speaker and whereas others have come in from time to time as speakers, he always appeared to be in complete charge of the meetings.

b2  
b7C  
b7D

This informant also pointed out that all literature distributed by the NRP carries MADOLE's name and home address and many of the articles in the National Renaissance Bulletin are attributed to him.

[ ] stated that MADOLE appears to be a rabid Fascist who imagines himself to be a fuehrer. He stated that MADOLE has expressed a bitter hatred of the Jewish race and this hatred has carried over him to becoming one of the primary tenets of the party. He said that MADOLE has never worked very long at any job, but has spent most of his time working for the party and is probably supported by his mother.

[ ] stated on January 15, 1954 that MADOLE is not as active in NRP affairs recently as he formerly was because [ ] has assumed leadership of the party and makes all decisions concerning NRP policy. [ ] added that he believes MADOLE may be forced out of the party and that without the support of FREDERICK WEISS, MADOLE would never have been able to maintain control of the NRP and that now this support has been shifted to [ ]

[ ] indicated on June 25, 1954 that MADOLE continues to act as puppethead of the NRP and makes arrangements for the meetings. He stated, however, that MADOLE has very little actual control of the activities and that

NY 105-6129

WEISS directs his decisions regarding the functions of the party. He stated that it is planned that MADOLE will continue to be the principal speaker for the party when the outdoor street meetings are held as he has been in the past.

[ ] indicated on October 15, 1954 that MADOLE now exercises complete control over the NRP and makes all arrangements for its meetings. He stated that MADOLE is the principal speaker at all meetings of the NRP and is in charge of all correspondence and money received by the party.

b2  
b7C  
b7D

[ ] stated on January 14, 1955 that MADOLE continues to be the national director of the NRP and is the guiding force in all its activities. He stated that MADOLE arranges for all its meetings and is always the principal speaker at these meetings. He stated that MADOLE also arranges for all publications issued by the party and usually writes most of the material that is placed in these publications.

[ ] indicated on May 31, 1955 that JAMES MADOLE continues to be the titular head of the party and organizes all meetings and is the principal speaker at these meetings. He said MADOLE arranges for the printing of all party literature and usually is the author of all material in this literature. He said that MADOLE is the only person in the party who is actively engaged in attempting to obtain financial contributions for the party as well as new members. He said, however, that during recent months MADOLE has received very little financial aid from any individual except FREDERICK WEISS and has had no success in obtaining new members for the party.

[ ] indicated on August 8, 1955 that FREDERICK WEISS exercises a great deal of control over JAMES MADOLE in his operation of the NRP and that MADOLE depends upon WEISS for considerable financial support for the party. He further indicated that WEISS usually instructs MADOLE as to the content of speeches which MADOLE makes at the NRP meetings.

This informant also pointed out that MADOLE's mother, Mrs. GRACE MADOLE, also is influential in directing the NRP through her son. He said that it had been Mrs. MADOLE's idea originally for the establishment of the NRP and she is wholeheartedly behind it and her son's activities in it. He further alleged that she is the only person who would be able to control MADOLE sufficiently to persuade him to discontinue the NRP.

NY 105-6129

[ ] indicated on December 30, 1955 that the only individuals at present who appear to be active members of the NRP are JAMES H. MADOLE and FREDERICK WEISS. He stated that MADOLE continues to prepare bulletins distributed by the party and conducts weekly gatherings held at his apartment for the members.

[ ] indicated on January 2, 1956 that GRACE MADOLE, mother of JAMES MADOLE, stated that JAMES had a terrible attack of asthma and was presently in Mount Sinai Hospital. [ ] added that MADOLE has had these attacks quite frequently in the past and as a result has been unable to hold a steady job.

b2  
b7C  
b7D

[ ] indicated on April 10, 1956 that MADOLE had suffered another attack of asthma and was in St. Lukes Hospital on April 8, 1956. He added that MADOLE was still in the hospital on April 10, 1956, but expected to be out in time to hold his meeting of the NRP on April 14, 1956.

[ ] indicated on June 2, 1956 that MADOLE had attended a meeting on April 27, 1956 held at the headquarters of CONDE MC GINLEY in Union, New Jersey, a publisher of anti-Semitic, pro-nationalist literature.

[ ] stated that while at this meeting MADOLE collapsed and was taken to a hospital in Irvington, New Jersey. [ ] said that this was another attack of asthma which MADOLE has suffered with for many years. He stated, however, that these attacks have been occurring much more frequently within recent months and are of a more serious nature. He said it was believed that MADOLE would have died during this most recent attack if he had not received oxygen in time.

[ ] who has furnished reliable information in the past, stated on July 8, 1953 that JAMES MADOLE was a very radical Fascist who believed that HITLER was the greatest man who ever lived. He said that MADOLE was also violently anti-Semitic and expressed the idea that all Jews in the United States should be killed.

[ ] who has furnished reliable information in the past, indicated on December 15, 1953 that it is his opinion that MADOLE is mentally unstable and thereby easily becomes prey to any radical organization.

[REDACTED]  
New York City, indicated on September 9, 1953, that MADOLE has controlled the NRP since its beginning and that he is a very radical person dedicated to the ideals of Fascism. He stated that MADOLE definitely believes that he will someday be able to convert the United States to Fasism. He said that MADOLE is the principal speaker at the party meetings and is recognized as the supreme leader of the party.

[REDACTED] Alcoa  
Steamship Company, 17 Battery Place, New York City, indicated on March 8, 1956, that the subject had been employed at this firm as a junior clerk on October 9, 1951 and was discharged in the spring of 1953 because of frequent illnesses. identity he declined to disclose. He indicated on December 14, 1956, that JAMES MADOLE continues to reside at 10 West 90th Street, New York City, and remains head of the National Renaissance Party. He stated that MADOLE is the dominant force in this organization and arranges all meetings which are sponsored by the Party. He indicated that MADOLE also prepares and distributes all Party literature.

He said that at these meetings MADOLE is always the principal speaker. He added that at a meeting on December 13, 1956, held at Mola Studios, 113 West 57th Street, New York City, MADOLE spoke at length praising Premier NASSER of Egypt and the Arab states.

MADOLE indicated that there could never be peace in the Middle East until the state of Israel is obliterated. MADOLE also attacked the Supreme Court and Attorney General BROWNELL for forcing the "Negroes" down the throat of the South.

[ ] indicated on May 9, 1956, that the NRP at present is a neo-Nazi, anti-Semitic, anti-Negro organization with activities generally confined to the New York Area. He said that its principal activities consist of holding outdoor meetings and the distribution of literature throughout the United States and abroad where it is reprinted by similar organizations.

This source stated that the National Renaissance Party leader and founder is JAMES H. MADOLE and its principal financial contributor is [ ]. He said that at present the party membership is very small. The April, 1955, "National Renaissance Bulletin", official NRP publication listed headquarters at 10 West 90th Street, New York City.

The National Renaissance Party was the subject of a preliminary report on neo-Fascist and Hate Groups published by the House Committee on Un-American Activities on December 17, 1954, which stated that this neo-fascist group's activities are clearly subversive and un-American.

[ ] indicated on December 7, 1956, that MADOLE had prepared and distributed an announcement entitled "The National Renaissance Party Sponsors a Second Major Political Rally to Oppose American Participation in a Third World Bloodbath", which indicate a Party meeting to be held on December 13.

[ ] indicated on December 3, 1956, that MADOLE had contacted Nola Studio and arranged for a meeting room on the night of December 14. However, he had later changed this meeting date to Thursday, December 13, because he had a date with a new girl friend on the 14th. This informant also stated that MADOLE recently indicated that he had received a letter from JOHN KASPER, leader of the White Citizens' Counsel in Washington, D.C., which indicated plans to hold a meeting in Washington and requesting MADOLE to be present as one of the speakers. MADOLE stated that he was thinking of going to this meeting when a definite date is established.

The informant added that FREDERICH WEISS had recently printed an article entitled "Who Cares?" which is anti-Semitic, anti-alien, and anti-Negro. He stated that about 8,000 of these pamphlets had been printed and that WEISS had delivered a quantity of them to MADOLE who indicated he would distribute about 300 of them in the South. The informant stated that MADOLE did not indicate how these would be distributed but added that he would not be able to distribute them in the North as it might antagonize his Arab friends.

[ ] indicated on November 27, that the subject had decided to utilize the headquarters of the Nationalist Party an anti-Semitic, neo-Fascist group located at 344 East 83rd Street, New York City, for the display and sale of National Renaissance Party literature and pro-Arab literature. MADOLE advanced his share of the monthly rent amounting to \$22.50, but the landlord of this building evicted the Nationalist Party in November for non-payment of rent.

The informant stated that it is possible a few of the Nationalist Party members will now become

associated with MADOLE and National Renaissance Party.

[ ] also stated [ ] continues to confer with MADOLE about new issues of the National Renaissance Bulletin, official National Renaissance Party publication. [ ] indicated on October 23, 1956, that MADOLE stated he had been approached by [ ] a member of the Nationalist Party, with an offer to rent the front half of the headquarters occupied by the Nationalist Party. He indicated MADOLE could use the front half of this store and MADOLE believed it would be a good opportunity for him to display the Arab literature which the National Renaissance Party is now distributing. *N.Y.*

[ ] indicated on November 19, 1956, that the September-October, 1956, issue of the National Renaissance bulletin contained an article entitled "The Hidden Facts Behind the Zionist Invasion of Egypt", by JAMES A. MADOLE. He stated this article was anti-Jewish and this bulletin also contained advertisements for several Egyptian leaflets. He stated that this bulletin was prepared by MADOLE with

the help and advice of [redacted] who also gave MADOLE \$90 for the cost of this publication. He stated that MADOLE and [redacted] are already preparing another bulletin concerning the Egyptian situation which will be published in the near future.

[redacted] indicated on November 2, 1956, that MADOLE had stated that he has earned more than \$400 this year selling Egyptian literature which he has received free of charge and then has sold for a small fee. He indicated that this Egyptian literature has been distributed by MADOLE after he has placed the rubber stamp of the National Renaissance Party upon it. From a review of information contained herein, it appears that [redacted] corresponded with subject JAMES MADOLE as set out in New York report January 7, 1957, for the purpose of seeking knowledge and obtaining information regarding the Renaissance Party, an anti-Semitic organization. In so doing, it would appear logical to assume [redacted] used [redacted] deviation of his given and middle names, in corresponding with MADOLE for the purpose of concealing his true identity. [redacted] was not reinterviewed during the course of this investigation regarding the name [redacted] since this would obviously compromise New York's source on MADOLE.

[ ] who has furnished reliable information in the past, furnished the following information which he received from a source whom he termed reliable but whose identity he declined to disclose.

He stated on March 13, 1957, that JAMES MADOLE continues to reside at 10 West 90th Street, New York City, and remains leader of the National Renaissance Party (NRP).

He added that the subject held a brief informal meeting of the NRP at his apartment on March 7, 1957.

[ ] stated that MADOLE had recently obtained a large number of the February, 1957 issue of "Scribe" from the Egyptian Consulate, 900 Park Avenue, New York City. This is a monthly magazine published by the Center for Middle East Research, Cairo, Egypt.

[ ] added that MADOLE stamped this magazine with the stamp of the NRP, 10 West 90th Street, New York City, and has distributed it through the facilities of the NRP.

He added that MADOLE also continues to visit the Syrian and Arab delegations in New York City where he obtains literature which is also distributed with the stamp of the NRP upon it.

[ ] indicated on May 9, 1956, that the NRP at present is a neo-Nazi, anti-Semitic, anti-Negro organization with activities generally confined to the New York area. He said that its principal activities consist of holding outdoor meetings and the distribution of literature throughout the United States and abroad where it is reprinted by similar organizations.

This source stated that the National Renaissance Party leader and founder is JAMES H. MADOLE and its principal financial contributor is FREDERICK WEISS. He said that at present the party membership is very small. The April, 1955, "National Renaissance Bulletin", official NRP publication listed headquarters at 10 West 90th Street, New York City.

The National Renaissance Party was the subject of a preliminary report on neo-Fascist and Hate Groups published by the House Committee on Un-American Activities on December 17, 1954, which stated that this neo-Fascist group's activities are clearly subversive and un-American.

[ ] indicated on March 1, 1957, that MADOLE had held an informal party meeting at his residence on the evening of February 21, 1957, which was attended by about eight persons.

He stated that nothing of importance transpired during this meeting and no explanation was forthcoming from MADOLE as to why the public meeting of the NRP, previously mentioned by MADOLE for February 22, 1957, was not being held.

[ ] added there was nothing mentioned of plans for future public meetings of the party.

[ ] indicated on February 15, 1957, that MADOLE held a meeting of the NRP at his apartment on February 14, 1957, which was attended by about six persons.

[ ] stated that MADOLE had a quantity of new Arab literature which he had obtained including pamphlets entitled "The Kafr-Kassem Massacre" and "Murder, Rape and Devastation" which were printed by the Egyptian State Information Office and which had been stamped with the name of the NRP.

b2  
b7C  
b7D

He indicated that this bulletin offered new subscribers to the bulletin a free copy of a 250 page booklet entitled, "Suez Canal, Facts and Documents."

[ ] stated that MADOLE had obtained this item free of charge at the Egyptian Delegation, 900 Park Avenue, New York City.

[ ] added that the two most recent Arab pamphlets that MADOLE has distributed under the stamp of the NRP are entitled, "The Palestine Problem", a memo submitted to the Secretary General of the United Nations (UN) in its 11th Session by the Executive Bureau of the World Muslim Congress, Jerusalem, and the "Scribe" for January, 1957, which contained pictures showing destruction of civilian property in Port Said allegedly perpetrated by the British Army.

This particular copy of the "Scribe" contained a printed notation "not for sale" and [ ] stated that MADOLE would not attempt to sell this bulletin but would distribute it free of charge to subscribers of the "National Renaissance Bulletin."

A Special Agent of the FBI observed JAMES MADOLE leaving the building at 271 Madison Avenue at 5:00 PM on January 11, 1957, and on March 12, 1957.

A telephonic inquiry on August 22, 1956, to the L. F. Dommerich Company, 271 Madison Avenue, New York City, revealed that JAMES MADOLE was employed at this firm.

[ ] indicated on January 21, 1957, that MADOLE was busy preparing the new "National Renaissance Bulletin" which would request funds for the defense of the 15 persons arrested at Clinton, Tennessee in connection with the segregation issue.

[ ] added that MADOLE continues to hold informal meetings of the NRP on Thursday evenings at his apartment and that such a meeting was held on January 3, 1957, which was attended by only two other persons.

He added that another meeting was held on January 10, 1957, which was attended by about five persons.

[ ] added that an individual named [ ] had recently visited MADOLE and indicated to him that he is interested in Arab literature and asked MADOLE to take him to the Egyptian Office in order to get some money from the Egyptians.

[ ] indicated that [ ] also has reportedly suggested that MADOLE rent a store where he could sell books and literature and stated that he, [ ] would help MADOLE with some money to run this store.

[ ] added that MADOLE believes this individual, [ ] is an agent provocateur and has probably been sent to infiltrate the NPR by [ ] of the Anti-Nazi League in New York City.

He added that MADOLE had the February, 1957, issue of the "Scribe," which was stamped with the NRP stamp. MADOLE further indicated that he is running out of Egyptian literature and can no longer trust [ ] to go to the Egyptian office to obtain it for him. He said that in a short while his vacation will begin and he intends making several visits himself for additional literature. He added that the Egyptians had arranged for him to get literature in the office of the Algerians at 150 East 56th Street, New York City. (u)

DETAILS:

[redacted] indicated on September 27, 1957, that JAMES MADOLE continues to reside at 10 West 90th Street, New York City, with his mother, [redacted] N 11. He stated that MADOLE continues as National Leader of the National Renaissance Party (NRP) and continues to operate the NRP from his apartment. He stated that MADOLE continually receives quantities of Arab literature from various Arab officials in New York City, which he stamps with the NRP name and distributes through NRP channels. [redacted] stated that he has received no information which indicated that MADOLE is being paid by any foreign principal for his work in the distribution of this Arab literature. He further stated that he knows of no individual who is able to direct or control any of MADOLE's activities in his work in the NRP or with his distribution of literature.

[redacted] Brooklyn, New York, advised on July 31, 1957, that radio station WCBS had carried a program on July 29, 1957, which contained an address by JAMES MADOLE, delivered in behalf of the NRP. [redacted] stated that from statements made by MADOLE, he believed the NRP had for one of its aims the overthrow of the present form of government in this country. He advised that MADOLE outlined the objective of the organization as being "economic, judicial and cultural." He said that among the changes proposed by MADOLE were the abolition of free elections, the placing of prominent Americans, such as DOUGLAS McARTHUR, in office, and the deportation of Negroes and Puerto Ricans to their country of origin.

[redacted] indicated on August 28, 1957, that MADOLE indicated to date that he had received \$214.00 in donations resulting from his television appearance in July. He said that most of this money came from unknown persons, which meant that they are not on the NRP's regular mailing list. He added that MADOLE received

NY 105-6129

thirty-nine new subscriptions for the "National Renaissance Bulletin" as a result of his television appearance. [ ] further indicated that MADOLE is presently working on a new bulletin which will deal with segregation as well as his version of his television appearance. [ ] stated that one article would be entitled "NRP Leader Speaks On Television and Radio." This article would state that for the first time in history the censorship bars of television and radio were dropped temporarily to permit MADOLE to speak for the obvious purpose of making the NRP appear to be led by a crackpot and a mad man. [ ] said the second article would be entitled "A New Black Plague Threatens American Cities", which stated that the southern Negroes are being influenced and exploited by the Jews who sponsor the National Association for the Advancement of Colored People.

[ ] said MADOLE had originally planned to devote this issue on an attack upon the American Legion but was apparently moved to making this issue to deal with segregation. [ ] said he was not able to learn whether the decision to change to writing on segregation was MADOLE's decision alone or whether he had been influenced. However, MADOLE appears to be taking advantage of the great notoriety on segregation caused by the Little Rock incident and he hopes to obtain new subscriptions to his bulletin and contributions by exploiting this present publicity.

[ ] indicated on October 24, 1957, that subject had been in bed with asthma and the flu for several days. He said that [ ] the subject's mother, indicated she was arranging for an ambulance to take the subject to the hospital, because it is usually necessary to place him in an oxygen tent when these asthma attacks occur as they have in the past. N.Y.

[ ] indicated on October 25, 1957, that the subject was taken from his home by ambulance to St. Luke's Hospital, 113th Street and Amsterdam Avenue, at 10:30 PM on October 24, 1957, and is presently in Room 119. [ ] indicated on October 30, 1957, that the subject was brought home from the hospital on this date and apparently

NY 105-6129

is recovered from his illness which was a combination of flu and asthma.

[redacted] indicated on December 9, 1957, that the subject is again ill at home with an asthma attack and has not worked for several days.

[redacted] indicated on October 18, 1957, that the subject attended a meeting on October 13, 1957, at the headquarters of "Common Sense" in Union, New Jersey. He stated this meeting was presided over by CONDE MC GINLEY, Editor of "Common Sense" and was attended by about 75 persons. He said that MADOLE was not called upon as a speaker and he was quite disappointed because he was overlooked.

b2  
b7C  
b7D

[redacted] further stated that the subject had received a letter from Father FEENEY of Boston in which FEENEY ordered MADOLE to refrain from mentioning him or from quoting from his monthly periodical, "The Point". MADOLE stated that it is evident that his attacks on Christianity and his Catholic baiting is the cause for FEENEY's letter.

The following investigation concerning ARCHIBALD S. WOODY was conducted at Jackson, Mississippi:

On November 19, 1957, [redacted] former Special Agent of this Bureau [redacted] Credit Bureau, 520 South President Street, Jackson, Mississippi, advised SA [redacted] that there is no credit record for ARCHIBALD WOODY, 776 Northwest Street, Jackson, Mississippi. However, the files contain the following record for ARCHIBALD S. WOODY, 776 Northwest Street, Jackson, Mississippi, WOODY is 60 years old, white male, and for the past 37 years has been employed as Secretary of the

u. APPROX 1 77

NY 105-6129

Mississippi State Tax Commission. His salary was listed as \$500.00 per month and his wife was listed as [redacted] COODY. His file contained no derogatory information concerning COODY.

[redacted] said that he has known COODY for many years and that COODY has now retired from this position.

[redacted] indicated on November 12, 1957, that the subject indicated he has prepared the next National Renaissance Bulletin concerning the Pope of Rome and that BILL MC GIMLEY of "Common Sense" would do the printing for him. MADOLE indicated, however, that [redacted]

[redacted] the Egyptian Consulate, 900 Park Avenue, had wanted to look the material over before it was printed because this bulletin also included material about Jordan being a tool of the Eisenhower Doctrine. MADOLE stated that the Egyptians had returned the script and had made only some slight changes. MADOLE said they indicated to him they would reprint this Bulletin in the Cairo newspapers.

[redacted] indicated on December 3, 1957, that MADOLE had stated the forthcoming National Renaissance Bulletin material originally planned for this issue had been eliminated, and now the issue would be devoted entirely to the Church. He said he would devote a full Bulletin later to the Arabs and the title of the article in the current bulletin would be "The Catholic Church versus Racial Nationalism". [redacted] added this article was written by MADOLE and was anti-Semitic and anti-Religion. He stated that MADOLE has been preaching the anti-Christianity of NIETZSCHE for a long time and it is more apparent now that he has come under the influence of CHARLES SMITH, Editor of "Truth Seeker," and a religious fanatic in New York City, who is presently on an all out campaign against equality and spreading anti-Semitism.

[redacted] indicated the subject stated he had attended

a meeting held November 8, 1957, in Pythian Hall, New York City, sponsored by CHARLES SMITH and that MADOLE had spoken briefly against the Jews.

[redacted] indicated on December 12, 1957, that  
[redacted]

Information furnished by [redacted] should not be made public except after issuance of a subpoena duces tecum.

*U.S. v. [redacted]*  
[redacted] indicated on October 30, 1957, that he had attended meetings of the NRP for several years at the apartment of subject, 10 West 90th Street. He said these meetings were usually attended by only a few persons. He added the Party apparently has very little organization at present and he does not know where the money comes from which MADOLE uses to operate the Party. He said, however, that in the past, FRED WEISS, a member of the NRP and others whom he does not recall, indicated to him that the Anti-Defamation League in New York City was furnishing money to MADOLE for operation of the NRP. He said he did not know how this money was given to MADOLE and does not know if any Agents of the ADL are members of the NRP. He said MADOLE appears to be in complete charge of the Party's activities and leads the discussions which are held at the meetings. He added that MADOLE attempts to induce persons to attend these meetings by offering them free beer at his apartment on Thursday evenings and from time to time has told those attending that PAR WARD and other

NY 105-5129

N  
girls would attend these meetings. It is noted that [redacted] formerly attended NRP meetings and was the principal prosecution witness in the [redacted] vice trial held in New York City in 1955.

b7C

[redacted] Investigators, Central Intelligence Corps, indicated on November 14, 1957, that JAMES H. MADOLE had been interviewed by them at his apartment at 10 West 90th Street on November 6, 1957, and indicated the following. They stated that MADOLE had been listed by a [redacted] Seattle, Washington, as a reference on an Army questionnaire. MADOLE stated that he had never met [redacted] but that they corresponded when [redacted] joined the NRP in 1956. MADOLE stated that [redacted] at that time was residing in [redacted] Iowa and had been made [redacted] by MADOLE. MADOLE stated he knew nothing about [redacted] except what he had read in [redacted] letter to him. MADOLE also stated that the NRP stands for dictatorship and that this dictatorship is the solution to problems in the United States. However, he indicated the Party does not advocate the violent overthrow of the Government. He also advised that if the NRP were in power they would "kill all the Jews and ship the Negroes and Puerto Ricans back to the countries of their origin."

b7C

MADOLE declined to answer any questions concerning the present strength or membership of the NRP. MADOLE advised that he visited the Syrian Consulate, New York City, where he was given literature and that the Syrians buy his literature for distribution in Syria and Egypt because they, as he, are anti-Jewish and Nationalistic in nature.

It is my own personal opinion  
that this whole juvenile problem or bigger part  
of it could be said right in the very  
subversive groups such as that headed  
by one "Adole" who readily admitted right  
on Television one night that his group  
was out to overthrow the government and take  
over and he hoped to head a bombing.  
Called it the "Elite" and admitted prejudice  
against Jews and Negroes. Said he was  
sincerely doing this for the good of this country.

Why he's a madman! I can't understand  
how come he's running loose. I wrote  
once before about this but never heard  
any thing. After wonder if he's gone back  
to prison. There person was to receive the  
description where was it? such

like. It is to remember that program. I saw  
it heard this Adole, I was in the "Night Beat"  
Ch. 1-5-11 P.M. on Mike Wallace Interviews Channel 7  
at 1 P.M. Saturday night. I think it was the latter.

## Mother of Korean Hero Writes Gov. Faubus

This is an open letter to Gov. Faubus of Arkansas

I am heartily sorry for you, for you know what you do

The Bible says "Do unto others as you would have them do unto you" And but for the grace of God you might have been black and your offspring also. Then how would you feel?

That black color was given by God to protect them in the land where they originated. You don't have to get chummy with anyone unless you want to, but at least you don't have to hurt them in any way and bitterness, hatred, lack of respect always backfires, and it puts you on the side of evil.

You're trying to make an impression on the wrong kind of people or you are just plain cowardly and afraid to stand up for what is right. And you know what you are doing is wrong, as wrong as can be. Look deep into your soul if you still have one, and deny that if you can.

My menfolk have all fought to uphold the Constitution of the U.S.A. All had good service

records. One received the Congressional Medal of Honor (posthumously) and now you would try to break down all he died for in Korea. I can't believe it.

All I can say is let your conscience be your guide and God hold you to His ways and cleanse you. It's not the color, the race, nor the creed that makes the man, believe me. "The blackest man can be white of skin. The whitest man can be black with sin."

### DISGUSTING NEWS FROM SOUTH

I am to become an American Citizen in a few years and I am proud of that. I've found my new home country, at least Connecticut (being the only State I've seen and lived in), really beautiful, people on the average are very, very nice, and I think life is beautiful here.

I must say, however, that I feel very much ashamed of the stories I read and the pictures I see about the integration "in-

cidents" happening in the South. What a "great" man, Governor Faubus is!

At least our grandchildren will have to know his name when taught American History at school, half a century from now.

Did you see the picture of the "tough," supposedly civilized "white" high school boy (cigarette dangling out of his mouth) surrounded by all such "daring" white boys and challenging two colored boys?

Really disgusting and also I think it is disgusting that in these U.S. there have to be terms as "white" contrary to "Negro." Aren't they all Americans, fighting under the same flag? The "white mob" now even has not hesitated to attack a colored minister!

These supposedly Christians ought to be really proud of their behavior, I doubt however if they even know the Ten Commandments.

May God help these poor peo-

NOTE TO SAC, NEW HAVEN, CONTINUED

The enclosure submitted by correspondent was a clipping from the "Danbury News-Times," Danbury, Connecticut, dated September 12, 1957. This was a letter to the editor by correspondent and was written in the form of an open letter to Governor Faubus of Arkansas criticizing him on his action in excluding Negro children from public schools.

Based upon the information furnished by correspondent, the Bureau is unable to identify "Adole" who the correspondent states is out to overthrow the Government. If this individual actually made the statements on television as alleged by correspondent, it is very probable that such information has been previously brought to your attention. You should identify the individual referred to by the correspondent and advise the Bureau of his identity and the statements made by him. While it does not appear that correspondent possesses any additional identifying information concerning this individual, the Bureau has no objection to contacting her if it appears necessary. The Bureau should be promptly advised of the identity of "Adole." Your communication should be submitted under appropriate caption, making reference to this communication. Upon identification of "Adole," you should, thereafter, be guided by current Bureau instructions concerning security investigations of individuals.

NOTE ON YELLOW:

Correspondent states that one "Adole" recently appeared on a television program and openly admitted his group was out to overthrow the Government. "Adole" also allegedly admitted his prejudice toward Jews and Negroes. Correspondent states her son, [redacted] was posthumously awarded the Congressional Medal of Honor for action in Korea in 1951. Bufiles contain no identifiable data concerning this individual.

[redacted] stated on February 14, 1958, that JAMES MADOLE continues to reside at 10 West 90th Street with his mother, [redacted] and maintains headquarters of the National Renaissance Party (NRP), in his apartment. He stated that informal meetings of the Party are held weekly in the subject's apartment.

[redacted] advised on January 13, 1958, that MADOLE had attended a meeting on January 10, 1958, at Pythian Hall, West 70th Street, New York City, sponsored by "The Truth Seeker," an Atheist group, headed by CHARLES SMITH.

[redacted] indicated MADOLE was accompanied by about 15 of his boys and had indicated to his followers that he has no intention of trying to take over SMITH's group, but he hopes to speak regularly at SMITH's meetings, thereby, saving himself the trouble and expense of organizing public meetings of his own.

[ ] stated on January 20, 1958, that he had attended a meeting at Pythian Hall, on January 10, 1958, which was attended by about 35 persons, including about 12 of MADOLE's followers. He said MADOLE spoke at this meeting, along his usual anti-Semitic lines, but had made no further comment about taking over this group, headed by SMITH. [ ] said MADOLE had requested his followers to attend a debate to be held on January 23, 1958, at Hunter College.

[ ] indicated on January 20, 1958, that MADOLE had finished the January, 1958, "National Renaissance Bulletin", consisting of one article entitled, "Zionism, the Jewish Colossus Which Dominates the Western World", by JAMES H. MADOLE.

[ ] said MADOLE indicated the proof copy would go to CONDE MC GINLEY, on January 20, 1958, to be mimeographed at the offices of "Common Sense", in Union, New Jersey. [ ] said that this article refers to the recent Afro-Asian Conference held in Cairo, as being the condemnation of the Western support of Israel, the Baghdad Pact, and the Eisenhower Doctrine.

MADOLE indicated in the article that the Jewish race constitutes a world-wide network of subversive aliens who, by their action, are driving more than one billion Afro-Asians into the Soviet orbit. MADOLE calls President EISENHOWER a fawning tool of organized Zionism, and indicated that "IKE" helped Zionism during World War II.

MADOLE questions why the United States should consider relations with the Soviet Union objectionable when, during World War II, America had no misgivings about collaborating with Russia. He further stated that the Soviet Russian Government has become anti-Zionist since the termination of World War II, whereas America has become a virtual slave of Jewish ambitions.

NY 105-6129

[ ] indicated on January 17, 1958, that MADOLE recently had made the rounds of the Arab establishments in New York City, and had obtained the following literature, which he rubber stamped with the name of the NRP, and which he will presumably distribute through NRP channels:

1. "Strife in the Holy Land", an article of 22 pages, in May, 1957, of the Arab League.

2. "Notes on the Suez Canal Controversy", a November, 1956, booklet of the Arab League, containing 18 pages by Doctor FAYEZ A. SAYEGH.

3. "The Aspirations of the People of North Africa", a reprint from a July, 1956, magazine consisting of 16 pages by MUHAMMAD H. el FARRA.

4. "Statement Before the Special Political Committee of the United Nations", by Doctor IZZAT TANNOUS, Director of the Palestine Arab Refugee Office, New York City, dated November 28, 1957.

[ ] indicated on February 4, 1958, that a mass meeting had been held on January 26, 1958, at the headquarters of "Common Sense", in Union, New Jersey. He stated that MADOLE had attended with about 8 members of the NRP, and that MADOLE was the first speaker at this meeting, and went on for about 15 minutes with the usual NRP line.

MADOLE stated that "the white race would rule, and that the Jew is our enemy." He also stated that the Mexicans, Puerto Ricans, and other prototypes in South America and Asia, would have to accept the inevitable or they would be exterminated.

NY 105-6129

MADOLE further stated that "we will have to seize power, show no weakness and no pity." [ ] added that in a discussion with several people before the meeting, MADOLE stated that the NRP stands for the "corporate state and the rule of the white race." MADOLE attacked Christianity as being a total myth, and praised the Vikings, Romans, and Germany under HITLER, and he predicted that in order to survive, we will have to conjure another HITLER and having learned from the past by our mistakes and weaknesses, he indicated that "we will win this time."

MADOLE stated that "Communism and Zionism are polluting the white race and the world doesn't need Jews, Puerto Ricans, and all that scum, which is slowly weakening the white race."

[ ] indicated on January 27, 1958, that he had attended the meeting of "Common Sense", at Union, New Jersey, on January 26, 1958. He stated he had been invited to attend by MADOLE, along with other members of the NRP. [ ] stated that MADOLE spoke briefly at this meeting, along his usual NRP line of anti-Semitism.

APPENDIX

COMMON SENSE

It is noted that "Common Sense" published by the Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism", and devotes its pages almost exclusively to attacks on the Jewish, to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

NATIONAL RENAISSANCE PARTY

On April 29, 1957, a confidential source stated that the NRP is an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the New York area. He indicated that JAMES MADOLE, founder and leader of the Party, is the only person who consistently performs Party functions. He stated the Party's main function is the printing and distribution of the "National Renaissance Bulletin" on a monthly basis and other literature from time to time, which is distributed throughout the United States and abroad where it is reprinted by similar organizations.

He stated that the NRP recently has distributed large quantities of Arab literature after stamping it with the name of the NRP and that finance for the Party's operation is partly obtained in this manner.

THE CATHOLIC CHURCH VS. RACIAL NATIONALISM  
James H. Madole

We realize that any criticism of Vatican policy causes a mental conflict in the minds of Catholic members of the National Renaissance Party who are torn between their loyalty to a clerical hierarchy which demands the breakdown of all racial barriers in order to unite all mankind within the spiritual embrace of the Roman Catholic Church and the racial doctrine of the NRP which proclaims the innate cultural superiority of the White (Aryan) race. The latest issue of the Negro magazine "EBONY", points out that 10,000 African savages have been converted thus far. This attempt to conquer the minds of superstitious, backward people in order to make up for the heavy loss in church attendance in such countries as France and Italy, which were formerly predominately Catholic nations, explains the vitriolic condemnation of racial nationalism by the Vatican on September 7, 1957. Vatican policy has never opposed inter-marriage between members of the White and Negro race PROVIDING BOTH BRIDE AND GROOM WERE MEMBERS OF THE CATHOLIC FAITH and that potential children would be reared in that faith. Obviously both the Catholic and Protestant hierarchies, who were losing ground spiritually as greater scientific and technological knowledge broadened the minds of the White race in the Western World, must seek converts among the less civilized and less educated savages of Africa, Central Asia and the Pacific Islands.

Both the Catholic and Protestant denominations of Christianity are universalist religions seeking to embrace all mankind within the tentacles of their religious embrace. Clerical dogma is based on "miracles" unexplainable mysteries and supernatural manifestations which obviously have no place in the Twentieth Century world. The following idiocy appeared in the "NEW YORK TIMES" of November 11, 1957 under the title: "A PATRON SAINT HINTED FOR TRAVELERS IN SPACE":

"Authorities of the Roman Catholic Church are informally considering selection of a patron saint for space travelers, a Vatican official said today. It was believed that the most likely patron would be St. Joseph of Copertino, a seventeenth century Italian Franciscan friar. According to tradition, he floated in the air during religious ecstasies. In Italy, he is also considered a patron saint of students."

Perhaps a tribe of South Sea Islanders or the 10,000,000 recently converted African hottentots could swallow this gibberish considering their previous vast experience with "evil spirits" and tribal witch doctors but to seek to ram this idiocy down the gullets of educated Americans and Europeans is beyond human comprehension. Perhaps it will awaken Christians to the undermining of all racial barriers by the clergy when we now discuss the statement issued by the official Vatican newspaper, "OSSERVATORE ROMANO" on September 7, 1957. We quote from the N.Y. DAILY NEWS, page 3, entitled "ELAST FAUBUS IN VATICAN PAPER":

"The semi-official Vatican newspaper "OSSERVATORE ROMANO" today blasted Arkansas Governor Orval Faubus for not letting Negro students go to the same school as whites. It declared such men should be stripped of their political rights. The paper noted that President Eisenhower has declared that he will not permit such a violation of the Constitution, and suggested:

"The remedy is this: anyone who professes racist principles, or who defends them under no matter what pretext, should not be admitted to exercise any political rights and even less should be eligible for public office—the same as is done in the case of persons who have committed grave crimes. Because this is the gravest crime of all." The Osservatore said it was especially saddening to see such a thing happening in the United States, "the nation that has taken part in the greatest wars and made heavy sacrifices in the name of liberty and democracy and against racism."

We now quote the "NEW YORK HERALD TRIBUNE" of September 7, 1957 entitled, "U.S. RACISTS DEMOUNCED BY VATICAN": "The Vatican daily newspaper "OSSERVATORE ROMANO" declared today that racial hatred was crime and known racists should be barred from holding public office in the United States "just as are major criminals." The paper said recent events in the Southern United States were "inexcusable from any point of view whatever." It deplored the fact that "such excesses, which neither sentiments of humanity, patriotism nor democracy have been able to extinguish, have been able to spring up in the middle of the twentieth century." "It should be made illegal (for racists) to hold any public position, as now provided for in the case of major criminals," the editorial said."

This official stand of the Vatican authorities forces Catholics in America and Europe to either accept the breaking down of all barriers between the White and colored races or face possible excommunication from the Roman Catholic Church for seeking to resist these edicts from Rome. The clerical authorities are seeking to interfere with the Apartheid Law in South Africa by defying the government and ORDERING SOUTH AFRICAN CITIZENS OF THE CATHOLIC FAITH TO DISOBEY THE LAWS OF THE COUNTRY BY ATTENDING INTER-RACIAL RELIGIOUS SERVICES. We quote from "THE CATHOLIC WORKER", page 3, September, 1957 issue entitled, "BISHOPS DEFY LAW ON MIXED CHURCHES":

"The Catholic bishops of South Africa have defied that country's new church segregation law by ordering that "Catholic churches must and shall remain open to all without regard to their racial origin. In a declaration read at all Sunday Masses throughout the nation, the 25 bishops said that they alone have the power "to decide on admittance of persons to Catholic places of worship," and that they therefore "take full responsibility" for maintaining interracial churches. The new declaration by the bishops came less than a fortnight after publication of their joint statement condemning apartheid, the government's official policy of race discrimination, as an "intrinsic evil" and a "mockery of Christianity."

"Meanwhile, Archbishop Denis E. Hurley, O.M.I., of Durban, told the Durban press it was clear at the recent plenary conference of the Bishops in Pretoria that South Africa's Church leaders envision ultimate racial integration in all Catholic institutions in the country. The Archbishop, who was elected chairman of the African Affairs Department of the South African Bishops' Conference at the Pretoria meeting, was quoted as saying: "The Church is steadfastly opposed to segregation in the schools and in any other institutions. However, it does realize THAT IT WOULD BE TOO MUCH OF A PSYCHOLOGICAL SHOCK TO SPRING INTEGRATION ON THEM SUDDENLY."

"Senator Verwoerd (a member of the South African Parliament) noted at the time that the bill makes it an offense for a Native, not the clergy, to violate a ban under the church clause. He said, however, that any clergyman who incited Natives to break the law would be dealt with under laws previously in existence. In such cases, he said, persons could be charged, convicted and punished just as they would be for violating any other law, such as marrying people without a license."

Both the Catholic and Protestant hierarchies are more concerned with QUANTITY than with QUALITY. Through their missionary activities in Africa and Asia they are seeking to convert the prolific hordes of illiterate, semi-savages who dwell in

these backward areas of the world to their respective brands of Christian dogma. Because the Negroes, Asiatics and Puerto Ricans are both more numerous and far less educated than their White "brothers in Christ", both churches have found a fertile harvest for their clerical mysticism. Just as the Jew seeks to break down all racial barriers in order to break the resistance of the White race to his complete economic and political domination of Europe and America; so the Christian hierarchies seek the same objective for the purpose of bringing all mankind under their spiritual domination. The Vatican seeks to force inter-racial brotherhood on mankind in order to lower the standards of literacy and economic development to the level of Medieval society when all sources of learning were in the hands of Holy Mother Church and heretics, including all scientific authorities whose findings were at variance with clerical dogma, screamed out their final death agonies on the torture racks of the Holy Inquisition or were slowly burned alive to insure the salvation of their "immortal souls". All economies were of a strictly agrarian nature during this unfortunate period because the clerical authorities well knew that landless peasants, whose entire life consists of back-breaking labor, have little or no time for self-education and must, of necessity, look to "the life hereafter" as their only hope for respite from endless drudgery. The French, Polish, Austrian and Spanish peasants were held firmly under the clerical yoke during the Dark Ages and even today most of the valuable property in the Latin countries as well as Austria is in the hands of various clerical orders which pay no property taxes.

The Jews are supposed to be the mortal enemies of Christianity yet we find their vicious leftist pressure groups working in close harmony with clerical authorities both here and abroad. Why is this so? The Catholic Church has published its views on the race question and anti-Semitism for UNESCO in a 62 page booklet entitled "THE CATHOLIC CHURCH AND THE RACE QUESTION" by the Rev. Father Yves M.J. Congar, O.P. of the Dominican Order. THIS OFFICIAL HANDBOOK HAS RECEIVED THE PAPAL IMPRIMATUR which makes it the official view of the Vatican authorities. We find the following statement on page 22:

"Any form of racism—not only absolute, systematized racism, but also pragmatic and comparatively moderate racism—has disastrous consequences running counter both to the spirit and the letter of Christianity."

We find that the Roman Catholic hierarchy considers that it owes its spiritual doctrine to the early Jews, who allegedly had a covenant with God which made them "God's Chosen People". The Vatican believes that HOLY MOTHER CHURCH is the new "ISRAEL" and that the Jews must now be converted to the New Israel. We quote from page 28 of Rev. Father Congar's book:

"Even more clearly, therefore, we cannot hope to reach and preserve the very heart of Christianity unless we respect what it has inherited from its Jewish forerunners, and hence, unless we treat the remnants of unbelieving Israel (the Jews), which are to be found among all the other peoples, as the fragments of a Chosen Vessel whereby the highest gifts of God have come to us. (Ed. Note: The Jews have given us the gifts of usury, the revolutionary agitation which led to the bloody French and Russian Revolutions and interest-slavery. Did these gifts also emanate from God?)

"Israel was chosen as a people because God's purpose is to unite all men in a single spiritual people, the Church, to save them and lead them to communion with Him, not in isolation but as a community....If the choice fell, in the first place upon one people alone, (the Jews) it was because it is apparently God's pleasure to give first to one or to a few what He intends for all, so that men's efforts throughout history may become a part of His scheme of universal mercy. It was also in order to shelter the newly planted seed of true religion and to protect the young plant before it was exposed to all the winds of the world's civilization."

The Rev. Father Conger then proceeds to make clear how young children, through religious instruction, can be seduced into glorifying the Jewish race and the new Israel, the Roman Catholic Church. On page 16 we find:

"Thus in the realm of the immortal soul—the pre-eminent, though not the most tangible realm—men have the same vocation and the same essential history. From the earthly point of view I might of course say (at least up to a point): 'What have I in common with the Laplanders or the Fuegians? My history is not theirs, nor is their history mine.' It is clearly somewhat ridiculous to give Indo-Chinese children French textbooks where they will read, for instance: 'Our ancestors the Gauls' But WE CAN ALWAYS GIVE THEM THE BIBLE AND MAKE THEM SAY LIKE GERMAN CHILDREN, 'OUR FATHER ABRAHAM'. For, as Pius XI most truly said, 'spiritually we are Semites'; Abraham is our father, (ED. NOTE: Abraham was, according to the dubious record of the Old Testament, a fine old Jewish whore-master. In the Bible he is called the Father of Mankind.) because he was the first to be 'Called' and the first believer. We all have a common history which began with Abraham and is centered on Jesus Christ."

The Rev. Father Conger then proceeds to falsify all the facts of history, science and ordinary common sense in regard to the Negro Question. We quote from page 49 of his book:

"Thus American Catholics still have far to travel in a sphere in which their honour as Christians, far more even than their honour as democrats, is involved. The Catholic Inter-Racial Council, an association directed by Father La Farge, S.J., publishes a monthly organ entitled 'INTER-RACIAL REVIEW, A JOURNAL FOR CHRISTIAN DEMOCRACY'. This takes its stand on the concept of the absolute unity of the Mystical Body (the Roman Catholic Church) and of liturgical worship. It should be added that the clergy are unanimous in sharing these views... Father J.E. Coogan, S.J. writes that discrimination against Negroes in schools and churches is condemned by theologians as 'unjust, impious and scandalous'. A moralist, J.F. Doherty, writes that there may perhaps be grounds for taking racial differences into account in the case of a proposed marriage. If, however, after due consideration, a person wishes to marry someone of a different race, no law can justly forbid it, and any law doing so would be an unjust law, not binding, therefore, upon the conscience."

"To all this evidence, of which an infinity of other examples could easily be found, should be added the full text of the letter sent in March, 1952 by Mgr. H. Varin de la Bruneliere, Bishop of Fort-de-France (Martinique) to West Indian students resident in France. The bishop goes beyond the mere rejection of race prejudice; he stresses the special qualities of Negroes, and their positive contribution to civilization and to the countries of which they are citizens. 'We have the history of the American Negro to prove the aptitudes of a race... Despite... all these obstacles, the Negro population of America has advanced in all fields, (Ed. Note: they have the highest crime rate and greatest percentage of venereal disease of any single racial group in the U.S.) and today many Negroes hold enviable positions in the arts, science or industry. It may not be generally known that at the present time American Negroes are running 14 banks, 200 loan societies, 60,000 trading enterprises and 200 insurance companies, that they have about 200 newspapers and periodicals and possess 5,000,000 hectares of land.' (ED. NOTE: This bishop must have gotten the Negroes mixed up with the Jews. There may be Negroes behind some of the counters and desks BUT THERE ARE JEWS BEHIND THE CASH REGISTERS.)

The Catholic Inter-Racial society has set up a series of inter-racial farms and social centers for young Americans. Its most famous landmark is Friendship House in Chicago. The efforts made by this organization to break down all racial barriers in American educational institutions and public housing as well as their efforts to foster inter-racial activities among young Americans can best be demonstrated by a talk given by Father Daniel M. Cantwell at Friendship House in July 1955

"The challenge in Northern cities," Father stated, "is the changing neighborhoods. Today there are no stable interracial communities. I think Friendship House can make a valuable contribution toward solving this key problem. "We are anxious," Father explained, "to broaden and deepen this work—to help other old friends, and new friends, too, find ways of destroying the bars that segregation has placed between members (and potential members) of Christ's Mystical Body (the Roman Church). "Friendship House has also held many workshops for White groups in past years—offering experience in being part of an interracial group...Looking beyond Chicago, Father pointed out that Friendship House can also offer a unique opportunity to train young workers and students from other areas. A period of work and study at Friendship House can prepare them for work in the apostolate of race relations in their own communities."

Thus we find the Roman Catholic Church concerned solely with breaking down all racial barriers between members of her "spiritual community. In doing so this clerical institution becomes a Trojan Horse or a dangerous Fifth Column in the ranks of the White racial community. Any organization which demands that its members work toward the breaking down of all racial barriers between the White and colored races and which teaches young children that they are the descendants of disreputable ancient Jews has NO PLACE IN A RACIAL NATIONALIST STATE OR COMMUNITY. American Catholics must either heed the edicts of the Roman Pope or face spiritual excommunication. The documentation in this Bulletin can be checked by anyone. American Catholics must either join with the Jews and the Vatican in seeking the destruction of White civilization or work with the NRP against ALL THE ENEMIES OF AMERICA AND WESTERN CULTURE. If you still doubt the danger of racial intermingling fostered by Catholic and Jewish interracial societies like Friendship House study the following article from the "NY DAILY NEWS" of November 11, 1957 entitled "COUPLE, 17, jailed on SEX CHARGES":

"A 17 year old high school couple has been given penal terms on charges of delinquency after admitting sex and drinking activities. Judge Schannen sentenced the boy, James Bowie, a Negro, to six months on the state penal farm, and the white girl, Barbara Baker, to the Indiana Girls' School for an indeterminate term. The two were arrested last week outside a Fort Wayne youth center after creating a disturbance in a parked car. They admitted having sexual relations at least 20 times since the beginning of school last September, police said, and also engaging in drinking parties in Bowie's home. The girl, an attractive blond, said her mother had tried to stop their dating. Fort Wayne juvenile authorities said DANCING OF MIXED GROUPS WAS COMMON IN SEVERAL LOCAL YOUTH CENTERS and THEY KNEW OF AT LEAST 40 WHITE GIRLS AND 30 NEGRO BOYS IN THE CITY WHO GO ON INTERRACIAL DATES. OTHER WHITE BOYS ARE DATING NEGRO GIRLS, THEY ADDED."

American Catholics should give this Bulletin to their local priest and demand a cessation of these activities. WRITE A PROTEST TO FRIENDSHIP HOUSE, 4233 South Indiana Ave., Chicago, Ill. There are many renowned scientists and statesmen who have proven the inherent cultural inferiority of the Negro race. Of course the Vatican would claim that these men should not even be allowed to vote or hold office. WE QUOTE ONLY A FEW AUTHORITIES AS SPACE PERMITS:

I. Ludwig Buchner (German anthropologist) from his book "MAN IN THE PAST, PRESENT and FUTURE"-----"Turning from Australia to Africa, we encounter among the lowest human races there, the same brutal degradation and irrationality. "It is sufficient says Eichthal (Briefe Uber Die Negerasse") "to have seen black men and to have lived some time among them, in order to be convinced that here is presented a different human nature from that of the White man." The experienced English traveler, Burton, depicts the Negro of East Africa as a being without any moral idea, or any thought reaching beyond the narrowest circle of things perceptible by the senses. He has or knows no conscience, no logic, no history, no poetry, no belief except the grossest superstition, no domestic life, no attachment to kindred, no inclination to labor, no gratitude, no compassion, no care for the future etc. Mentally

he is totally barren and though he can observe, he can deduce nothing from what he has observed. Hence he has remained at the first beginnings of civilization and for thousands of years has made no progress although he has had sufficient contact with cultivated peoples. He lies even without aim or profit and is in the highest degree obstinate and self-willed just as some animals are accustomed to be."

2. Meredith Townsend (renowned English anthropologist):—"None of the black races, whether Negro or Australian, have shown within the historic time the capacity to develop civilization. They have never passed the boundaries of their own habitats as conquerors, and never exercised the smallest influence over peoples not black. They have never founded a stone city, have never built a ship, have never produced a literature, have never suggested a creed."
3. David Hume (eminent Scottish philosopher, 1742):—"I am apt to suspect the Negroes to be naturally inferior to the whites. There scarcely ever was a civilized nation of that complexion, nor even any individual eminent either in action or speculation."
4. August Forel (Swiss psychiatrist, 1903):—"Even for their own good the blacks must be treated as what they are, an absolutely subordinate, inferior, lower type of men, incapable themselves of culture. That must once and for all be clearly stated."
5. "ENCYCLOPEDIA BRITANNICA" (Vol. 12, page 826, 1911 Edition):—"On the whole it must be owned that after a century of independence and self-government the Haitian people have made no progress if they have not actually shown signs of retrogression." (Haiti was the only self-administered Negro nation)

With these thoughts in mind we sincerely hope that American Catholics will align themselves on the side of the White race and Western civilization and cast out the Jewish and anti-racial influences now prevalent in the Roman hierarchy. THE CHOICE IS THEIRS; TO FIGHT FOR AMERICA AND THE DOCTRINE OF RACIAL NATIONALISM OR TO FIGHT FOR INTERNATIONAL JEWRY AND THE INTERNATIONAL, ANTI-RACIAL VATICAN AUTHORITIES.

IS ANTI-SEMITISM JUSTIFIED BY HISTORY?  
James H. Madole.

What are the real causes of anti-Jewish feeling among the Gentile peoples of the world? Is anti-Semitism mere blind prejudice based on the greed, envy and frustration of the Gentile masses, both white and colored, or is anti-Jewish feeling justified by the stern verdict of history and the natural law of self-preservation? The record of history proves conclusively that the Jews, more than any other racial or religious group, have been reviled, persecuted and extradited from nearly every Gentile nation, both civilized and uncivilized, both Christian and Moslem, during the period of recorded history. Is anti-Semitism always the fault of the Gentile majority or could the activities of the Jewish minority within the Gentile nations be responsible?

The Jewish people are a racial unit bound together by the messianic religion of Judaism. Unlike Protestantism and Roman Catholicism which seek to convert all nationalities and races to a universal religious faith, Judaism serves as a form of spiritual cement binding members of the Jewish race to a messianic doctrine which preaches that God established a Covenant with Israel through Moses on Mount Sinai. Thus the Jewish race became "God's Chosen People" or the "People of the Covenant". They must never assimilate with the Gentile peoples whom they lived among "in Diaspora" (in dispersion). Thus for nearly 4000 years the Jewish race has chosen to live as "a state within a state", refusing to be assimilated into their Gentile surroundings. They have accumulated great wealth and power from their Gentile hosts but they have used this power and wealth to increase the stranglehold of world Jewry on the economy, real estate and natural resources of all Gentile nations. Thus while the world Jewish community waxed fat and prosperous, the Gentile peoples were being slowly bled white and pauperized. The Jew, being internationalist by his very nature, sought to break down all racial and national barriers within the Gentile states. Being an alien the Jew could not conceive of national patriotism and love of one's native land hence he made every possible effort to discourage such feelings among his Gentile hosts. Racial pride was a barrier to Jewish social and economic progress within the Gentile nations hence this natural impulse must also be eradicated.

While seeking to stamp out racial pride and national patriotism among the Gentile peoples, the Jews sought to intensify these passions to the ultimate among "God's Chosen People". The Jew told his own people that their race must never assimilate with the Gentiles because only the Jews and their "holy" nation of Israel have a covenant with God. If they kept themselves pure and free from the contaminating influence of Gentile thought and blood, God would keep his covenant with World Jewry by restoring them to their ancient, Biblical homeland in Palestine. From this messianic creed of a self-ordained "Chosen people" emanated the doctrine of Zionism. Zionist doctrine teaches that all Jews owe their primary loyalty to World Jewry and the Jewish state of Israel established in 1948. Thus Jews residing and prospering in America, Great Britain, France and Germany utilize their wealth and influence to bribe and corrupt the governments and public press of these countries to speak and act in behalf of the state of Israel. By educating his children in separate Jewish schools where they come under the influence of fanatical Zionist

instructors and by using Jewish-owned department store and retail advertising for the purpose of exerting pressure on the American press to conduct "Hate Campaigns" against governments, individuals or groups which dare to oppose the methods and aims of World Jewry, the Jews are fast becoming the subversive agents of a foreign power operating within our national borders. The German-American Bund and the Japanese Black Dragon Society were outlawed and their leaders imprisoned by the U.S. Justice Dept. but not one Zionist organization has even been investigated by our Attorney General. Because of their sinister influence American, British and French foreign policy has become the helpless tool of Zionist pressure groups with unlimited funds at their disposal while 400,000,000 Moslems are being driven into the open arms of Soviet Russia.

To further prove our basic contention that World Jewry represents an alien organism within the bodies of all Gentile nations and that this alien organism is a parasite which drains the wealth of Gentile states and uses this wealth for its own alien purposes, we now quote from several renowned Jewish leaders and publications:

1. Rabbi Schindler, "JEWISH CHRONICLE", April 28, 1911:  
"For fifty years I was a partisan of the assimilation of the Jews and I believed in it. The American melting-pot will never produce the fusion of a single Jew".
2. AMERICAN EXAMINER, September 12, 1957, page 11:  
"Love is secondary in the traditional Jewish concept of marriage, a rabbi told a B'nai B'rith Institute of Judaism here. The purpose of marriage, said Dr. Arthur J. Lelyveld, now executive vice president of the America-Israel Cultural Foundation, is "not to allow two people to live happily ever after" but to serve as a social base for "THE REARING OF CHILDREN AND THE TRANSMISSION OF JEWISH VALUES". (Ed. Note: When Adolf Hitler made statements like the above in reference to the Germanic people, World Jewry called him a racial bigot and cried up a holy war against Nazi German.)
3. Leo N. Levy, lawyer, leader of B'nai B'rith (1900) Quote from speech in a "MEMORIAL" edited by the Order of B'nai B'rith:  
"Who shall say that the Jews are no longer a race? Blood is the basis and sub-stratum of the race idea, and no people on the face of the globe can lay claim with so much right to purity of blood, and unity of blood, as the Jews. The religion alone does not constitute the people. As I have already maintained, a believer in the Jewish faith does not by reason of that fact become a Jew. On the other hand, however, a Jew by birth remains a Jew, even though he abjures his religion."
4. G. B. Stern, author, "DEBATABLE GROUND":  
"Jews are a nation. If there was but a theological difference, would there be such striking distinctions in features and temper? To go to the synagogue instead of the church, does that change anything in the curve of the nose? We surely are a nation, a dispersed nation, but the most united nation in the world."
5. "JEWISH WORLD", January 1, 1909 by M.J. Wodislawski:  
"Let us take the mask off. Let us play the Lion of Judah for a change. Away, away with false patriotism. A Jew can only recognize one Fatherland, Palestine."

Obviously a tightly-knit race of people holding the beliefs expressed above could not be considered loyal citizens of any Gentile nation. We find the Jewish race creating a world-wide Zionist network of subversion by using the wealth and influence which they have accumulated in their Gentile host-nations to further the aggressive economic and political interests of World Jewry and the state of Israel. The reasons for anti-Semitism become quite evident if we devote study to Jewish international activities.

# I. CAUSES OF ANTI-SEMITISM IN THE MIDDLE EAST:

To protect themselves from any future aggression by Israel and her Western allies, similar to the brutal Sinai invasion of November, 1956, the small Arab states of Egypt and Syria merged to form the small Arab states of Egypt and Syria merged to form the UNITED ARAB REPUBLIC under the leadership of President Gamal Nasser. Already the Zionist-dominated Eisenhower Administration had sought to divide the Arab world by bribing King Hussein of Jordan with \$13,000,000 and the right to have his Arab Legion soldiers trained in West Germany by American officers. In return King Hussein abandoned his alliance with Egypt and Syria and now is seeking to preserve his feudal monarchy by setting up a rival merger with King Feisal of Iraq. Iraq has long been a member of the American-sponsored Baghdad Pact and no Arab nation belonging to this alliance is permitted to use the arms which it obtains from America against Israel. Hence Israel uses the Baghdad Pact as its shield of protection against the righteous wrath of her Arab nationalist enemies. Like all other Israeli weapons, the Baghdad Pact carries a "made in America" label. The Zionists now hope to convince King Hussein of Jordan and King Feisal of Iraq that the United Arab Republic constitutes a greater menace to their respective thrones than does the future prospects of Zionist expansion in the Middle East. If the people of Iraq, Saudi-Arabia and Jordan refuse to awaken and join hands with President Nasser to curb Israeli aggression, the Arab world shall remain divided and ripe for conquest.

Why is anti-Jewish feeling so intense in the Middle East? The invasion of Egypt by Israel, France and Great Britain in late 1956 left bitter scars and memories. We must remember the diabolical campaign waged by World Jewry to secure the entrance of America into World War II. Now President Nasser of tiny, little Egypt was the "Hitler of the Nile" and World Jewry started to sing their Hymn of Hate which was to arouse the Western Powers to another crusade in behalf of "the poor, persecuted Jews". Remember the never-ending tales of persecution and concentration camp outrages brought to America by teeming hordes of Jewish "refugees" during the early years of the Hitler regime in Germany? Remember how these same "victims of Nazi persecution" brought with them to America gold, precious gems and packing cases filled with the loot of Central Europe? (These huge packing cases were laughingly referred to as "Jewish coffins.") Americans found out later that Hitler's main grievance against the Jews was the fact that this alien minority had bought up nearly 80% of Germany's wealth, industry, land and assets at ridiculous prices during the terrible inflation of 1923-24. These assets were purchased with valuable foreign cash by foreign Jews who flocked to prostrate Germany like buzzards descending on the body of a dying man.

Exactly the same pattern was followed in Egypt as was followed in Germany by the Jews. We hear again the trumped-up atrocity stories and tales of woe. We quote "THE AMERICAN ZIONIST", page 20, entitled: "50,000 EGYPTIAN JEWS FACE DEPORTATION BY SUMMER, REFUGEE TELLS UJA:

"A cold pogrom is taking place in Egypt. Nasser is subjecting a helpless minority to every oppression to which Jews were subjected by Hitler, short of death camps," Rabbi Herbert A. Friedman declared. "Egypt is in economic straits since Nasser mortgaged his cotton crop to the Communists for guns and blocked the Suez Canal," Rabbi Friedman said. "Now he plans to enrich himself as Hitler did by a process of economic squeeze on the Jewish group. The situation cries out for U.N. investigation. "Nasserism is Nazism revived," the UJA Executive declared, NEARLY 800 LEADING JEWISH FIRMS HAVE BEEN CONFISCATED, and their owners jailed or ordered out. Professionals can't practice, artisans have no clientele. If these people don't get out, they will begin to starve."

In the same January, 1957 edition of "THE AMERICAN ZIONIST" on page 3 we have a purported interview with Jewish refugees landing in Naples from Egypt. This article is entitled "EGYPT JEWS TELL OF NAZI TERROR":

"Through tired lips came the stories of terror, torture and death. They were told two decades ago by the Jews driven from Hitler's Germany. They are being told again by Jews driven from Nasser's Egypt. According to the refugees, the government started by expropriating Jewish as well as British bank accounts. THIS AFFECTED EGYPT'S MOST IMPORTANT FINANCIAL INSTITUTIONS, ITS INSURANCE FIRMS, IMPORT, EXPORT AND WHOLESALE ESTABLISHMENTS. ALL THIS, THE REFUGEES SAID, BROUGHT BUSINESS TO AN ALMOST COMPLETE HALT. The refugees agreed that the basis of the anti-Semitic policy is Egypt's need for money and its hope to get it from the ESTIMATED \$600,000,000 WORTH OF JEWISH PROPERTY IN EGYPT."

We also find that the great majority of Jews owning this \$600,000,000 worth of Egyptian property and 800 leading Egyptian firms were not even citizens of Egypt but fell into the category of "stateless persons" or Jews who held foreign passports and took their financial profits out of Egypt. Thus the great masses of destitute, poverty-stricken Egyptian people were forced to look on while the Jewish locusts stripped their nation of its meagre assets. Secondly, although Egypt has officially remained in a state of war with the government of Israel since 1948 not one Egyptian Jew suffered privations until after the Sinai invasion of November, 1956. The Israeli Army knew exactly where to cross the Egyptian borders without encountering a single Egyptian Army unit. Their position was not discovered until the Israelis had advanced nearly 100 miles into the Sinai Peninsula. This military miracle was accomplished as a result of skillful espionage by Egyptian Jews who repaid the country where they had resided and prospered with treachery and betrayal. THIS MAY HELP TO EXPLAIN ANTI-JEWISH SENTIMENT IN THE MIDDLE EAST.

## 2. CAUSES OF ANTI-SEMITISM IN IRAN (PERSIA):

The chief purpose of the Iranian (Persian) Jewish community is to keep Iran tied to the Baghdad Pact thus preventing her large Moslem population from siding with the neighboring Arab states against Israel. We quote a dispatch from Tel Aviv in "THE AMERICAN EXAMINER" of December 26, 1957 entitled, "Jews in Iran in First Parley":

"The first convention of Iranian Jewry in modern times was an "important milestone" in the long and ancient history of the Jews in Persia, Prof. Arie Tartakower president of the Israel section of the World Jewish Congress, who participated in the parley, declared in Tel Aviv. There are some 85,000 Jews in Iran, Prof. Tartakower estimated. He noted that of 17,000 JEWISH CHILDREN IN THE COMMUNITY, 11,000 WERE RECEIVING A JEWISH EDUCATION...The WJC leader said that Persian Jewish women were emancipated and that many of them had participated in the convention of Iranian Jews."

"THE LONDON JEWISH CHRONICLE", in a dispatch from Teheran, reported that the convention, which lasted four days and was attended by representatives of all Jewish organizations in Iran, was opened by Prince Gholam Reza Pahlevi, the brother of the Shah of Persia. An address was made by Hussein Ala, Minister of Court, who said that Mohammed Reza Shah Pahlevi, the Iranian Sovereign, "had the welfare, happiness and progress of all his subjects at heart, regardless of their race or religion."

In this way the Zionist Jews are skillfully organizing the Jewish communities throughout the world to act as agents of the Israeli state. We find Iranian Jewish children sent to schools where they will be trained as fanatical young Zionists without loyalty to any nation but Israel. When Israel starts its inevitable drive for expansion in the Middle East these Jewish communities will serve as potential fifth-columns in every nation where they are firmly established. Americans are reminded of Eisenhower, Nixon, Truman and Roosevelt when they see the brother of the Iranian potentate rushing to a Jewish convention to heap praise upon a race of people whose deceit and treachery extend back into history for over 4000 years.

### 3. CAUSES OF ANTI-SEMITISM IN INDONESIA:

We quote an article from "THE AMERICAN EXAMINER" of December 26, 1957 entitled, "Indonesian Jewry Facing Hardships, REPORT Shows": "The Australian Jewish community offered its assistance to any Jews forced out of Indonesia in the current anti-Dutch disorders. The offer was made by Sidney D. Einfeld, president of the Executive Council of Australian Jewry, to the Dutch (Jewish) community in Sydney, Australia. He pledged that his organization would provide temporary accommodations and other care to Indonesian Jews expelled or fleeing from their country... Since the Indonesians took over control of their own country the economic position of the Jews has worsened. Together with other non-natives in the population, they have been forced out of business and well paid positions by government regulations and laws aimed at putting control of the economy in the hands of Indonesians."

As a result of this patriotic policy both President Sukarno of Indonesia and President Nasser of Egypt have been branded as "Red-dominated" by America's pro-Zionist press and radio. The peoples of Asia and Africa must learn to differentiate between Western Imperialism and unscrupulous Jews of French, British or Dutch nationality who have exploited their land and natural resources under the protection of the French, British and Dutch flags. The people of America and Western Europe no longer control their governments, industries or media of communication. WESTERN CIVILIZATION HAS BECOME THE SLAVE OF JEWISH IMPERIALISM. This is the fundamental cause of anti-Semitism.

[ ] indicated on March 31, 1958, that the National Renaissance Party (NRP) continues to maintain headquarters at 10 West 90th Street, New York City in the apartment of JAMES MADOLE, its national leader. He stated that MADOLE holds informal gatherings weekly at this apartment which are attended by handfuls of NRP supporters. He stated that at present, MADOLE is un-employed but claims to have sufficient funds to continue operation of the NRP. MADOLE has stated according to [ ] that he plans no further public meetings of the NRP, but is content to have his followers attend meetings of sub groups as the "Truth Seeker" which MADOLE speaks at. [ ] added that the "Truth Seeker" is an Atheist group headed by one CHARLES SMITH, which has been active for many years in New York City and which publishes monthly pamphlet entitled "Truth Seeker" - oldest freethought paper in the world, founded 1873.

[ ] indicated on March 10, 1958, that JAMES MADOLE stated that he had been laid off from his job because of business conditions and there had been nothing personal in his discharge as others in the company had also been laid off. MADOLE indicated that he is not seeking another job and has not signed for un-employment benefits, stating that he doesn't need it. MADOLE added that he would have enough money to continue putting out the NRP Bulletin and will be able to manage funds for the NRP without working.

[ ] indicated on March 10, 1958, that MADOLE indicated that he would attend a "National Review Forum" to be held at Hunter College on March 20, 1958. MADOLE indicated that he and some of his boys would be out on the side walk prior to the meeting passing out NRP literature. It is noted that the "National Review" 211 East 37th Street, New York City, states that it is the "weekly magazine of conservative opinion". MADOLE also indicated he would attend a "Truth Seeker" meeting on March 14, 1958, and take members of the NRP to this meeting.

A Special Agent of the Federal Bureau of Investigation observed JAMES MADOLE, [redacted] and an unidentified person named [redacted] in attendance at the National Review Forum in Hunter College on March 20, 1958. These three individuals were observed on the sidewalk outside Hunter College distributing literature to persons as they departed from this meeting. The literature distributed was in the form of various National Renaissance Bulletins and Arab literature stamped with the name of the NRP.

[redacted] stated on March 21, 1958, that a meeting was held in Pythian Hall on March 14, 1958, by the "Truth Seeker" group, also known as the Ingersoll Forum. He stated that the subject attended with a large group of his followers and that MADOLE spoke at this meeting and distributed many copies of Arab literature, which had been stamped with the name of the NRP.

[redacted] indicated on March 8, 1958, that MADOLE had indicated the new bulletin would be ready for mimeographing about March 5, 1958 and the title would be "Anti-Semitism Justified by History". MADOLE stated the main theme of the article, which stated the causes of anti-Semitism in the near East, had been written by the Arabs. MADOLE explained that the Arabs he had reference to were "The Egyptians and everything clears through them".

[redacted] indicated on March 11, 1958, that the February, 1958 NR Bulletin had been mimeographed in the office of "Common Sense" and contained one article entitled "Is Anti-Semitism Justified by History?" by JAMES H. MADOLE.

[redacted] indicated on March 14, 1958, that MADOLE had stated he and eight others of the NRP had attended a meeting at the headquarters of the Arab Student League, 2875 Broadway on March 2, 1958. MADOLE indicated there were about fifty persons present, 25 of whom were students and the remainder presumably American friends. He stated that it was primarily a social gathering but that he was asked to deliver a talk and complied by speaking for about a half and hour and answering questions. MADOLE indicated that he gave his usual NRP speech against the Jews. [redacted] added that MADOLE also collected a great deal of literature at these headquarters which he stamped with the NRP name and which he will distribute through NRP channels.

[redacted] indicated on April 2, 1958, that in the past, MADOLE has received money from FREDRICK WEISS for support of the NRP, however, at present WEISS and MADOLE are not friendly. He stated that it has long been rumored by persons working with MADOLE in the NRP that FREDRICK WEISS is an agent for the Anti-Defamation League through his friendship with [redacted] a known agent of the Anti-Defamation League. It is noted that the Anti-Defamation League is the investigative agency of B'nai B'rith, a national Jewish organization.

[redacted] added that it does not appear at present that MADOLE is receiving financial support from anyone including any Arab officials. [redacted] further stated that MADOLE does not need anyone's financial support to continue operation of the NRP, inasmuch as his personal financial needs are taken care of by his mother with whom he resides and the small amount required for publication of the NR Bulletin is obtained by sales of literature and small contributions. He stated that in recent months, the NRP has held no public meetings and made no wholesale literature distribution by mail and, therefore, its expenses have been nominal.

[redacted] New York City, indicated on February 19, 1958, that he recently became interested in the NRP and as a result, had invited JAMES MADOLE and other members of the NRP to his home. He stated that it is his opinion that the NRP is a rather small ineffectual organization with MADOLE in complete charge. He stated that it appears at the present time that MADOLE is making a great effort to publicize the Arab point of view in its struggle against Israel. He added that MADOLE apparently regularly visits official Arab establishments in New York City, where he obtains much Arab literature. [redacted] indicated that he was not able to ascertain if MADOLE was being paid for this work or what he expected to get out of this. *11.1.*

APPENDIX

COMMON SENSE

It is noted that "Common Sense" published by the Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee". According to the report, "Common Sense" depicts Communism as "Judaism", and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

NATIONAL RENAISSANCE PARTY

On April 29, 1957, a confidential source stated that the NRP is an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the New York area. He indicated that JAMES MADOLE, founder and leader of the Party, is the only person who consistently performs Party functions. He stated the Party's main function is the printing and distribution of the "National Renaissance Bulletin" on a monthly basis and other literature from time to time, which is distributed throughout the United States and abroad where it is reprinted by similar organizations.

He stated that the NRP recently has distributed large quantities of Arab literature after stamping it with the name of the NRP and that finance for the Party's operation is partly obtained in this manner.

The NYO is recommending that this case be submitted to the Department for consideration as to whether the subject is in violation of the Foreign Agents Registration Act, inasmuch as all logical leads have been covered.

It is not recommended that the subject JAMES MADOLE be interviewed prior to completion of this investigation in view of the current investigations of MADOLE and his organization under the case entitled "National Renaissance Party, IS-X" and possible contemplated action against this group by the Attorney General. Furthermore, it is felt that interview with the subject would serve no practical purpose at this time inasmuch as MADOLE is known to be hostile to the FBI. UACB this matter is being placed in a P\* status by the NYO until such time as an opinion is rendered by the Department.

Mr. Tolson noted, "What is background of Madole?" and the Director commented, "Let me know."

SUBJECT JAMES H. MADOLE

Reference is made to your memorandum of April 25, 1958, together with a copy of the report of Special Agent [redacted] dated April 15, 1958, a photostat of the February, 1958 issue of the "National Renaissance Bulletin" which is referred to on page 3 of this report and previous investigative reports concerning the captioned subject. You request to be advised whether the activities of the captioned subject as reflected in the referenced reports and the enclosures thereto require his registration pursuant to the provisions of the Foreign Agents Registration Act of 1938, as amended.

A review of the information submitted reveals that subject resides in New York City where he maintains headquarters of the "National Renaissance Party," an anti-Negro, anti-Semitic, neo-Fascist group. Subject arranges all meetings of the party, is the principal speaker at the meetings and prepares most of, and distributes all party literature. Information submitted by informants in the above referenced reports indicates that subject has received large quantities of pro-Arab and pro-Egyptian literature from various Arab officials and establishments in New York City which he has stamped with the name of the "National Renaissance Party" and distributed through Party channels. As further evidence of subject's cooperation with the Arabs, [redacted] in the above referenced report advised that subject made a statement to the effect that the main theme of the article appearing in the February, 1958 issue of the "National Renaissance Bulletin" entitled "Anti-Semitism Justified by History" had been written by the Arabs. According to this informant, subject explained that the Arabs he had reference to were "The Egyptians and everything clears through them."

While it may be inferred from the large amount of Arab literature which subject is handling and his frequent contacts with Arab officials that he is acting as an agent of the Arab States, there is no evidence that he is receiving compensation from any foreign government or that he is acting at the order, request, or under the direction of any foreign government. As you have been previously advised in cases such as this where there is a strong likelihood of subject's resistance to a request

registration, it is desirable that the evidence be such as to establish an element of control by the foreign principal over the alleged agent. Even though subject may be submitting articles to Arab officials for editing before they appear in the "National Renaissance Bulletin" there is no evidence that such action is not of a voluntary nature. Consequently, the evidence is insufficient to establish that subject is acting as an agent of a foreign principal so as to create a legally enforceable obligation to register under the terms of the Foreign Agents Registration Act.

In the event additional information is received indicating that the activities of the subject are in fact being controlled by a foreign principal, the matter of the solicitation of subject's registration will be reviewed in the light of the additional evidence.

DETAILS:

[ ] indicated on May 6, 1958, that JAMES MADOLE, leader of the National Renaissance Party had indicated on May 1, 1958, that FREDERICK WEISS had visited at his apartment and had offered him and his mother a four room apartment in the Yorkville Section of New York City, where MADOLE would be able to do his work properly.

b2  
b7C  
b7D

WEISS indicated to MADOLE that he would make all the arrangements with the superintendent, so that MADOLE would not be bothered and MADOLE gained the impression that the rent on this apartment would be paid for him.

MADOLE indicated he flatly refused this offer and shortly thereafter WEISS left. MADOLE stated that he still does not trust WEISS because they formerly worked together and letters of MADOLE's which WEISS had access to later appeared in a publication of the Anti-Defamation League.

MADOLE further stated that he believed the next issue of the "National Renaissance Bulletin" would be late, and advanced the reason for this as "The Arabs advised they want me to write an article for which my tentative title is "Conditions in the USA".

MADOLE stated this article requested by the Arabs is not for his bulletin but will be translated into Arabic and published in an Egyptian paper and probably in other publications. This source added that MADOLE is still unemployed and is not seeking a job.

[ ] L. H. Deitch and Company, 261 Madison Avenue, New York City, indicated on May 7, 1958, that JAMES H. MADOLE was employed by this firm on September 13, 1955, as a junior clerk at \$40.00 per week, and that he left of his own accord on December 4, 1957.

NY 105-6129

He stated MADOLE listed his birth date as July 7, 1927; his address as 10 West 90th Street, New York City; and his Social Security Number as [REDACTED]. His references were listed as [REDACTED] New York City, [REDACTED] Queens, New York, and [REDACTED] New York City. The latter was also listed as MADOLE's previous employment from May, 1953 to June 1955.

[REDACTED] stated that he knew nothing further concerning MADOLE but that his immediate supervisor was [REDACTED].

[REDACTED] New York City, stated he had hired JAMES MADOLE and was his [REDACTED] at the time of his discharge.

He indicated that he had advised MADOLE in December, 1957, that he would be laid off because of business conditions. MADOLE quit in the middle of the week.

b2  
b7C  
b7D

[REDACTED] stated that there had been no difficulty with MADOLE while he was employed there, but that he strictly stayed to himself and had no friends in the office.

[REDACTED] added, however, that MADOLE was frequently absent because of illness and was considered very odd by his fellow employees.

He added that since MADOLE has left, he has made several telephone calls to female employees at this office and attempted unsuccessfully to make dates with them.

[REDACTED] added that they definitely would not rehire MADOLE.

[REDACTED] indicated on May 13, 1958, that JAMES MADOLE had indicated he had finished an article requested by

the Arabs which had taken him three weeks to prepare and which contained 35 pages. He said this report on conditions in the United States relating to the Arab boycott of Jewish firms, and he does not believe it will be printed, but is for the use of the Arabs.

MADOLE indicated he listed firms that did business with Israel or in some way work for Israel and firms that contribute to the United Jewish Appeal or other funds collecting money relating to Jewish affairs.

MADOLE indicated he had listed 400 such companies and that he did the major part of the work himself. He indicated he had received some help, however, he did not state where the information was obtained.

MADOLE said he delivered this report to the Egyptian Office and had stated that these Arabs are infantile in believing that there are good and bad Jews.

The source added that MADOLE stated he now averages about \$200 monthly on his operation of the National Renaissance Party and he stated he is not worrying about money and he is not looking for any job.

[redacted] indicated on May 19, 1958, that MADOLE had stated he is too busy at present to hold any National Renaissance Party meetings of his own and indicated that CHARLES SMITH, leader of the "Truth Seeker" group would not hold ~~any~~ meetings until next Fall.

b2  
b7C  
b7D

MADOLE said he would not speak at any street meetings this summer because of being occupied with writing the "Renaissance Bulletin" and doing work for the Arabs.

MADOLE said he is doing well and cannot handle anymore work, inasmuch as the Arabs introduced him to the Indonesians. MADOLE stated he writes for the Indonesians and they pay him for the writings.

This source furnished several Indonesian publications which MADOLE was distributing through the National Renaissance Party.

b2  
b7C  
b7D

[ ] indicated on June 27, 1958, that JAMES MADOLE continued to maintain headquarters of the National Renaissance Party at his apartment, 10 West 90th Street, New York City. He said that MADOLE has indicated recently that he is spending all of his time preparing literature for the National Renaissance Party as well as writing the new National Renaissance Party Bulletin.

MADOLE said the new Bulletin would deal with General DE GAULLE, his friendship for the Jews of Israel and his close association with international Jewish bankers. MADOLE indicated that he obtained his data on DE GAULLE from the Arabs. MADOLE indicated his current Bulletin had been well received and that all the letters he received concerning it except one had been high in praise of its contents. MADOLE indicated that he had received \$72 in donations as a result of the last Bulletin.

9 11 11  
3-11-58 This source added that MADOLE has a great deal of Arab literature on hand in his apartment which appears to have come predominantly from the United Arab Republic Office, 900 Park Avenue, New York City.

This source stated that MADOLE continues to be in complete control of the National Renaissance Party and has indicated that he has no plans for future public meetings of the party.

The source said that MADOLE apparently has decided that it is more profitable for him personally to cooperate with the Arab countries and distribute their literature than conduct public street meetings and solicit contributions.

This source further stated that during the past six months, MADOLE has received numerous requests from leaders of Klan groups, citizen council groups and similar types of organizations in the South soliciting his cooperation and support. According to this source, MADOLE has no desire to join the National Renaissance Party with any other nationalistic type organization.

[ ] indicated on July 15, 1958, that MADOLE usually refers to his dealings with the Arabs but does not specify any particular country. He stated that MADOLE formerly contacted [ ] at the Egyptian Delegation, to the United Nations (UN), 900 Park Avenue, and presently is undoubtedly contacting [ ] successor [ ] for the United Arab Republic, 900 Park Avenue, New York City. (S)(u)

This source said that MADOLE has made no further mention of any work he is doing for the Indonesians or what individual with the Indonesians for whom he has been working. (S)(u)

b2  
b7C  
b7D

This source said that MADOLE has never mentioned how much he was being paid by the Indonesians and only recently mentioned working for them at all and may not be continuing to work for them at present. (S)(u)

This source stated that MADOLE has indicated the type of writing he has done is anti-Jewish pro-Nationalist, which is in line with the National Renaissance Program.

[ ] indicated on July 18, 1958, that MADOLE is presently distributing leaflets entitled "Shall Americans Fight ~~Against~~ War for the Jews?". He stated that this leaflet had been written by MADOLE at the request of the Arabs (not specifically indicated which Arabs) and that CONDE MC GINLEY, Editor of "Common Sense", had mimeographed 1500 copies of this leaflet. This informant indicated that MADOLE had been distributing a leaflet entitled "Ten Years" recounting the activities of Israel and because the Arabs felt that readers of this piece might misunderstand and get the impression that they were praising Israel, this new leaflet is being distributed which is strongly anti-Jewish.

The leaflet indicated that powerful Jewish pressure groups had become the most influential political and economic force in American life, and are responsible for legislation breaking down all racial barriers in schools, public housing and private summer resorts. MADOLE indicated to the source that the Arabs would distribute this latest leaflet abroad.

MADOLE stated that the United Arab Republic Office had indicated to him that GERALD E. K. SMITH had recently visited them and told them that MADOLE's organization is a veritable nest of Jewish spies.

MADOLE said the Egyptians told him that they had put SMITH on the right track by telling him that "MADOLE is one of our best friends". MADOLE said as a result SMITH is now sending him letters and literature, but MADOLE states he does not trust SMITH.

This source added that MADOLE recently had two large cartons of literature picked up at the United Arab Republic Office and he believes it is old literature. (u)

[ ] indicated on August 5, 1958, that MADOLE indicated he had recently distributed 1100 copies of his latest Arab leaflet. MADOLE also indicated that the Jews are doing their utmost "to tie me up with Arab Offices claiming I'm an agent for them".

b2  
b7C  
b7D

This source stated MADOLE did not indicate how he got this story but from his conversation it was apparent that someone had talked to him and he took this as an indication that the Jews are back of it.

MADOLE further stated his new National Renaissance Bulletin is being printed by CONDE MC GINLEY and will have the title "Why Are American Marines in Lebanon" and "The Sinister Forces Behind Premier Charles De Gaulle".

[ ] indicated on August 7, 1958, that he believed MADOLE's work for the Indonesians was only on one occasion inasmuch as MADOLE has not mentioned the Indonesians since May when he stated he was writing for them. (u)

This source stated he believes that practically all of MADOLE's writings was for the Syrians and the Egyptians and now all of his writings is furnished to the United Arab Republic at 900 Park Avenue. (u)

This source was unable to indicate whether MADOLE is being paid to write these articles now, but

- 7 -

indicated he felt certain that MADOLE was receiving some type of aid for his work, either by direct payments or by the sale of his National Renaissance literature.

APPENDIX

COMMON SENSE

It is noted that "Common Sense" published by the Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee". According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

NATIONAL RENAISSANCE PARTY

On April 21, 1958, a confidential source stated that the National Renaissance Party is an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949, by JAMES H. MADOLE who is in complete control of the party. The party's main function is distribution of the National Renaissance Bulletin on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The Un-American Activities Committee of the United States House of Representatives in a preliminary report, dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American."

DETAILS:

N.Y. [ ] advised on September 17, 1958, that JAMES MADOLE, leader of the National Renaissance Party (NRP), recently indicated he intends holding a meeting of the party on October 17, 1958, at Steinway Hall, on West 57th Street, New York City. This source indicated that originally MADOLE indicated that he would not hold any public meetings of the party this year, but instead would appear as a speaker at meetings to be held by CHARLES SMITH, leader of "The Truth Seeker". MADOLE indicates now, however, that SMITH will hold a meeting at Steinway Hall on October 10, 1958, at which he, MADOLE, will be a speaker. MADOLE indicates that SMITH's meeting will be devoted to racialism and equality rather than atheism which his previous meetings were concerned with.

b2

b7C

b7D

This source indicated that MADOLE continues to have large quantities of Arab literature at his apartment, and he states that he is very busy, and needs nearly all of his time to work for the Arabs. This source indicated that it does not appear that MADOLE is in need of funds, and MADOLE has advised that he is not going to devote his next National Renaissance Bulletin to segregation because the Arabs want him to do an article on West Germany and the Zionists. MADOLE stated that he has to get this article out in a hurry and it will be entitled "Germany - The Slave of Zionist Imperialism".

MADOLE also indicated to this source that his NRP bulletin dealing with J. EDGAR HOOVER is entirely sold out and he is asking CONDE MC GINLEY, publisher of "Common Sense", to run off another five hundred copies of this bulletin so that he can fill requests. [ ] further stated MADOLE recently had obtained the following literature, which he stamped with the NRP stamp, and is distributing through NRP channels, as he does all Arab literature which he receives. MADOLE did not indicate where he received this literature or for what purpose he is distributing it, but it is the first instance that MADOLE has handled any

NY 105-6129

Chinese literature. The following are the titles of this literature:

"Communism At Work In China" by STANLEY K. HORNBECK, a twelve-page booklet issued by American and Asian Educational Exchange, Incorporated, 17 Park Avenue, New York.

"Communist China" by GRAG O'DWYER, Published by the Committee of One Million (against the admission of Communist China to the United Nations).

"Communist China In Asian Affairs" by C.M. CHANG, issued by the Institute of Ethnic Studies, Georgetown University, Washington, D.C.

"The Republic of China", issued by Chinese News Service, 1270 Sixth Avenue, New York, dated January, 1958.

b2  
b7D  
b7C

This source indicated that all of these publications are anti-Red China and MADOLE probably picked them up during his visits to some official establishment in New York City.

[ ] indicated on October 2, 1958, that MADOLE indicated his topic for the meeting at Steinway Hall on October 10, 1958, would be "Jews In Modern Times". [ ] further indicated that MADOLE is presently distributing the August, 1958, NRP bulletin, which consists of the articles entitled "Western Germany, A Slave - Colony of Zionist Imperialism" by JAMES H. MADOLE. This source added that this bulletin is anti-Semitic and deals with German reparations to the state of Israel and the reasons why the Jewish race has been driven from nearly every country of the civilized world. [ ] stated that MADOLE also had CONDE MC GINLEY print a one-page leaflet entitled "Is Anti-Jewish Feeling Justified By World History?" He

NY 105-6129

stated that the leaflet is anti-Semitic and requests readers to subscribe to the NRP bulletin for facts on the Jewish question.

[redacted] indicated on October 20, 1958, that MADOLE was called upon to speak at the "Truth Seeker" meeting at Steinway Hall, on October 10, 1958. He said that MADOLE made his usual speech concerning the Jews and how they are behind Communism. CHARLES SMITH, leader of the meeting, announced that MADOLE would be the principal speaker at the meeting of this group to be held on November 14, 1958.

[redacted] indicated that MADOLE stated he is now working on his next bulletin which had been delayed because of his prior commitment to the Egyptians. He said that MADOLE evidently had to write something for them and had no time until now for his own bulletin.

[redacted] indicated on October 27, 1958, that MADOLE continues to operate the NRP from his apartment at 10 West 90th Street, New York City. He stated that MADOLE continues to distribute large quantities of Arab literature, but there is no indication that MADOLE is being paid by Arabs or whether or not his activities are being directed by the Arabs.

A confidential source who has furnished reliable information in the past advised on December 5, 1958, that a meeting of the National Renaissance Party (NRP) was held on the evening of December 4, 1958, in the subject's apartment. During this meeting the subject condemned the FBI for "prosecution of the five in Atlanta" and stated that he and his group (the NRP) had already sent an unspecified sum of money to Atlanta, Georgia, for the defense of these individuals. The subject stated that these five individuals know nothing of guns or explosives and he criticized the FBI for the "pick up" of these individuals. He stated that these persons are being "persecuted" because the FBI could not get the real ones involved. The subject also stated that "Ike" has not decided what the FBI is to definitely do and as soon as this decision is made "Hoover" will be instructed what next to do.

The above source also learned that an elderly French woman who is called "Marta" was in attendance at the above meeting and stated she is going to send money on her own initiative to Atlanta, Georgia, but will not sign the letter transmitting the money.

With regard to the MRP, another confidential source who has furnished reliable information in the past advised on April 21, 1958, that the MRP is an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the organization. The party's main function is the distribution of the "National Renaissance Bulletin" on a monthly basis and the distribution of pro-Arab literature obtained from official Arab establishments in New York City.

DETAILS:

[redacted] indicated on October 27, 1958, that JAMES H. MADOLE still operates the National Renaissance Party (NRP) as a one man venture and maintains no formal leadership organization.

[redacted] advised SA [redacted] on October 30, 1958, that JAMES MADOLE resides in Apartment 8, 10 West 90th Street. [redacted] stated that MADOLE resides in this apartment with his mother and appears to have no regular employment but spends all of his time with the activities of the NRP which he handles out of his apartment.

[redacted]

Information obtained from [redacted] above is not to be made public except on issuance of a subpoena duces tecum.

On October 22, 1958, JAMES MADOLE was interviewed under a suitable pretext by a Special Agent of the Federal Bureau of Investigation (FBI) at which time MADOLE furnished copies of the literature that he has passed out throughout the country in his role as leader of the NRP. Included in this literature were the following:

1. A pamphlet entitled, "Massacre of Arabs in Israel," by TOUFIQ TOUBI. TOUFIQ TOUBI is identified on the pamphlet as a member of the Israeli Parliament. The pamphlet concerns itself with a "massacre perpetrated at the Arab village of Kafr-Quassem inside Israel on October 29, 1956, the day Israel launched its military attack on Egypt. The front of the pamphlet bears the stamp of the NRP.

2. A throwaway leaflet which is a biography of President GAMAL ABDEL NASSER of the United Arab Republic.

3. "Israel and the Arab States" by SYBIL EYRE CROW, published by the Iraqi Embassy, 21 Queens Gate, London S.W. 7. This pamphlet deals with the problems of settling more than a million Arab refugees. It bears the stamp of the NRP on its front.

4. An advertising throwaway captioned, "Arab Nations Support Egypt's Arms Deal." On the back this throwaway has the stamp of the NRP.

5. A booklet entitled, "Threats and Intimidations" compiled by the Egyptian Information Department, 22 Solomon Street, Cairo, Egypt. This booklet bears the stamp of the NRP on the front and deals with the intervention of the British and French Governments in Egypt, and an interpretation of Article 33 of the Charter of the United Nations (UN) with respect to that intervention in the Suez Canal area.

6. A pamphlet entitled, "The Policy That Invited Soviet Russia to the Middle East" by IZZAT TANNOUS, MD. This booklet is originated by the Palestine Arab Refugee Office, 801 Second Avenue, Room 801, New York 17, New York. It also bears the stamp of the NRP. The bottom of this booklet states that the material has been filed with the Department of Justice where the required statement of the "Palestine Arab Refugee Office," registration number 897, is available for inspection. This booklet makes the point that "the Palestine tragedy which has made one million Palestinian Arabs homeless and destitute is at the root of the grave tension that prevails today in the Middle East."

The booklet also points out that the foreign policy of the United States in the Middle East had alienated the Arab people and compelled them to turn their faces to other directions. The concluding paragraph of this booklet states,

"It is a fact that the failure of the United States to take the lead in the implementation of United Nations resolutions -- resolutions which were of the making of the United States and which only gave the Arab refugees a fraction of their rights -- has driven a large number of the Arab people to look East for their salvation. The Soviets seized the opportunity and the tug of war is now in progress between East and West."

MADOLE, when interviewed under pretext, explained that he is distributing pro-Arab literature since he agrees with the Arab position in the Middle East. He stated that he and his organization are anti-Jewish and they feel they should distribute pro-Arab literature since both he and the Arabs are working in the same direction. He also made the statement that he was distributing literature from the Iraqi Government.

The records of the Bureau of Special Services of the New York City Police Department were checked on October 22, 1958, by SA [redacted]. They indicated a meeting was held at Steinway Hall, 113 West 57th Street, New York City, sponsored by CHARLES SMITH, publisher of the magazine "The Truth Seeker." This was in general a meeting of racists and most of the speakers were highly critical of the Jewish peoples. JAMES MADOLE spoke at this meeting as a representative of the NRP. His speech was entirely devoted to anti-Jewish statements. Plans were made for another general meeting at which MADOLE would be the principal speaker. This meeting was to be held on November 14, 1958, also in Steinway Hall.

b2  
b7C  
b7D

[redacted] indicated on November 15, 1958, that the subject was the main speaker at a meeting on November 14, 1958, at Steinway Hall, 113 West 57th Street, sponsored by an atheistic publication called "The Truth Seeker." He indicated that MADOLE spoke for about two hours on the general topic of anti-semitism and described President EISENHOWER as a tool of the Jews in the United States. MADOLE insinuated that the bombing of the Jewish synagogue in Atlanta, Georgia, was a plot by the Jews to raise money and to curry political support. MADOLE claimed that the present form of government

NY 105-6129

in the United States should be replaced by a "corporate form of government" and that this step was really inevitable.

[ ] advised on November 20, 1958, that the subject spoke at a meeting held at Steinway Hall on November 14, 1958, in which he mentioned that he had been at a meeting which was attended by three Arabs. [ ] stated MADOLE did not indicate where or when this meeting took place but that he, MADOLE, had had a conversation with the Arabs concerning the Jewish question.

[ ] indicated on December 15, 1958, that the subject stated that he has no know Arab literature but expects to have some in the next few days. MADOLE indicated that an Iraqi official in New York City had requested him to furnish the August, 1958, National Renaissance Bulletin to the Iraqi Government who desired to reprint it and distribute it in Iraq. [ ] indicated that this bulletin pertained to Zionist imperialism in Western Germany and had been written by the subject.

ReBuairtel 1-30-59. In intensifying this investigation, you must insure that sufficient personnel is assigned to effectively accomplish objectives of this case and to insure that comprehensive report is received at Bureau within 30 days of receipt of this communication. Close supervision should be afforded to see that this matter is vigorously pursued and promptly resolved. Data secured thus far indicates Madole is distributing literature he secures from various Arabic establishments in New York City. Objective here is to establish whether or not he is acting at order, request or under direction of foreign government. This is Registration Act aspect and necessity to develop witnesses and competent evidence cannot be stressed too strongly in order to present facts upon which Department of Justice can make decision as to action. Corollary objective is to obtain any data indicating foreign government in U. S., while not ordering, requesting or directing his activities, may be encouraging his distribution of literature to accomplish its own ends. If substantial data is developed of this type, Bureau will consider calling facts to attention of State Department to determine whether State Department protest might be warranted.

Intensified handling of this case should be carefully planned. Thorough review of all facts developed to date should be made to determine most logical investigative steps to be taken to obtain evidence desired. For example, it has been noted that much data has been secured from [redacted] It is essential that this information be thoroughly reviewed

A Washington Capital News Service release 1-29-59 reflected the Jewish War Veterans asked President Eisenhower that date to have the FBI look into reports the United Arab Republic (UAR) is contributing to the support of "hate literature" directed against Jews in this country. The request was made by [REDACTED] (actual name is [REDACTED] of St. Louis, [REDACTED] Jewish War Veterans, who said he had no independent information regarding distribution of "hate literature" in this country but had read news stories reporting such literature was being financed in part by UAR. The Director inquired as to what we know about this.

Although [REDACTED] did not mention source of news stories, the above undoubtedly refers to series of articles in "New York Daily News" from 1-20 to 24-59 written by David Burk entitled "Peddling Hate in America: Egypt's Nasser." In these articles Burk puts finger on Arabs for fomenting much of anti-Jewish acts perpetrated by "hate" groups in United States by alleging anti-Jewish literature produced by Arabs has been given to Americans active in "racist" and "hate" campaigns against Jews for distribution. James H. Madole, head of the National Renaissance Party (NRP), specifically was mentioned in this regard.

b7C

b7C

NRP is a anti-Semitic, anti-Negro and neo-Fascist group in New York City which is subject of present security-type investigation and presently under consideration by Department pursuant to Executive Order 10450. Madole, founder and leader of NRP, is presently subject of Registration Act investigation to ascertain if he is engaged in activities on behalf of UAR and other countries requiring his registration as foreign agent. Our Registration Act investigation instituted 11-14-56 on basis of information received from reliable source [REDACTED] that he had become factor in distribution of Arab propaganda in New York area, a large amount of which allegedly was furnished by

official of Egyptian Delegation to United Nations. This same source subsequently furnished considerable information reflecting receipt of Arab anti-Jewish literature by Madole from UAR and other Arab establishments which he distributed to his followers in NRP. This case was referred to Internal Security Division of Department 4-25-58 for opinion as to whether Madole's activities required his registration pursuant to provisions of Registration Act. On 5-27-58 Department advised although it may be inferred from large amount of Arab literature handled by Madole and his frequent contacts with Arab officials that he is acting as agent of Arab States, there is no evidence he is acting at order, request or under direction of foreign government to create a legally enforceable obligation to register. We reopened this investigation 7-11-58 upon receipt of information subject was writing articles for Indonesian Government and since that date we have been attempting to secure competent evidence Madole is acting as agent for Indonesia, UAR, or any other Arab country. Our investigation reflects he continues to distribute pro-Arab literature and when interviewed under pretext 10-22-58 stated he distributes such literature since he agrees with Arab position in Middle East and since he is anti-Jewish. Copies of our investigative reports concerning Madole have been furnished State Department as well as Department of Justice.

ACTION:

If you approve, attached airtel will be sent to New York calling attention to recent series of articles in "New York Daily News" and instructing that efforts be intensified during current Registration Act investigation to develop competent evidence that subject is actually acting as agent of Arab States in distribution of Arab literature so as to create a legally enforceable obligation for him to register under provisions of Foreign Agents Registration Act.

ReBuairtel 2/2/59.

In connection with your intensified investigation of the subject, a review of the captioned case file at the Bureau reflects the following investigative leads which should be covered promptly in order to develop evidence to resolve this matter:

It appears that the Anti-Defamation League of B'nai B'rith may possibly have information concerning subject's activities, especially in view of that organization's interest in individuals and other organizations which promote anti-Semitism. You are, therefore, instructed to contact an appropriate official of the Anti-Defamation League for any pertinent information concerning the subject with emphasis being placed upon ascertaining identities of individuals who may be able to furnish evidence and testify to such regarding subject's possibly acting as an agent of a foreign government in the distribution of "hate literature." Bufiles reflect that officials of the Anti-Defamation League are well disposed toward the Bureau and have been in frequent contact with the Bureau since the recent bombings of Jewish synagogues. In the event there is no specific official at the Anti-Defamation League who is in contact with your office, it is suggested that you contact [redacted] concerning this matter. [redacted] has been in contact with the Bureau during the past several months relative to the Bureau's activities regarding the above-mentioned bombings and has indicated an approval of the Bureau's investigative position therewith.

Report of SA [redacted] dated 4/2/57 at New York concerning instant investigation indicates on page 5 that [redacted] advised that a person named [redacted] had "recently" visited Madole and indicated to him that he was interested in Arabic literature, and asked Madole to

take him to the "Egyptian office" in order to get some money from the Egyptians. It was also indicated that, according to [redacted] Madole believed [redacted] to be an agent provocateur and had probably been sent to infiltrate the National Renaissance Party (NRP) by [redacted] in New York City. You should make every effort to identify [redacted] and if your files reflect no reasons to the contrary, interview him for information pertinent to this investigation.

b2  
b7C  
b7D

In the same regard, you should contact [redacted] mentioned above, for any information he may have which will assist in developing evidence to resolve the 'Registration Act' aspect of instant investigation, especially names of persons who can furnish competent evidence. Bufiles reflect [redacted] was subject of Espionage - Israel investigation in 1954 (New York file 65-16578) based on allegation that [redacted] had hired two self-admitted members of an Israeli intelligence organization that operated in New York City from 1947 to 1948 to conduct an investigation of one [redacted] in order to determine his contacts and connections with various Arabic officials. [redacted] was interviewed 3/19/54 in connection with that investigation at which time he admitted hiring investigators for this purpose. It is also noted [redacted] was interviewed 6/16/54 regarding his connection with the NRP, and the results of this interview are contained in the report of SA [redacted] dated 3/25/55 concerning the NRP. New York file 105-6112. Bufiles also reflect that [redacted] has been interviewed on a number of occasions by your office regarding information furnished by the Anti-Nazi League. It is further noted information furnished by your office in the past reflects several anonymous communications as well as sources of unknown reliability, have characterized [redacted] as either a communist or a communist sympathizer; however, these allegations have not been substantiated by the investigation of [redacted]. Despite [redacted] background, it is possible he may possess information pertinent to this investigation in view of his connection with the Anti-Nazi League and his past history of attempting to infiltrate Madole's organization, the NRP. You should, therefore,

interview him solely for the purpose of obtaining information pertinent to instant investigation.

With regard to other possible leads, your attention is directed to page 3 of the report of SA [redacted] dated 6/3/57 concerning captioned investigation. Information is set forth therein that [redacted] advised on 4/5/57 that Frederick Weiss, the former financial backer of the NRP, had indicated he was angry with Madole because Madole refused to cooperate with him. Weiss indicated that he was thinking of writing an article on Madole to the effect that Madole has been regularly receiving money from an agent of a Jewish organization. [redacted] indicated that the agent referred to by Weiss was [redacted] an agent for the Anti-Defamation League in New York City. Bufiles reflect [redacted] was former subject of Registration Act investigation based on allegation he was representing French and Saar Governments (refer to your file 97-1284). It is noted he was interviewed in connection with that Registration Act investigation on 2/28/55 and as a result of admissions made by him, the Department solicited his registration, and he finally registered on [redacted] as an agent of the French Government and also indicated at the time of his registration that his services and activities on behalf of the French Government or any other government had been terminated. During the course of that Registration Act investigation, information was developed that as of 5/17/57 [redacted] was working also for the Anti-Defamation League, and Bufiles reflect that he has worked in that capacity for many years. You are, therefore, instructed to immediately interview [redacted] for any information he may possess pertinent to instant investigation as well as the names of other persons who may have information of evidentiary value concerning this matter.

b2  
b7C  
b7D

With regard to Frederick Weiss, mentioned above, your attention is directed to report of SA [redacted] dated 1/2/58 entitled "Frederick Charles Ferdinand Weiss; Racial Matters," your file 100-111893 which reflected results of interview with Weiss 12/30/58 as to his knowledge of individuals or groups connected with racial bombings. Although Weiss was reluctant to furnish information concerning individuals unless he felt they had actually

broken the law, he stated he would cooperate with the FBI, if possible, and would be helpful to the best of his ability. Accordingly, you should recontact Weiss and interview him concerning subject's activities along same lines as set out above for other interviews.

In addition to above interviews to secure competent evidence regarding the registration aspect of this case, your attention is also directed to the necessity of obtaining any other data indicating foreign governments may be encouraging subject's activities to accomplish their own ends, although it may not be possible to develop evidence that such government is directing the subject's activities.

In addition to the above leads, you are also instructed to carefully review your investigation concerning the NRP in order to ascertain the identities of members of that organization who may possibly have knowledge of subject's alleged activities on the behalf of Arabic official establishments. Such individuals should be interviewed unless your files contain reasons dictating otherwise. Also, when submitting the results of this investigation in comprehensive report as instructed by referenced airtel, you should also submit your recommendations as to an interview with Madole himself.

NOTE: Captioned individual is the head of the NRP, an Anti-Semitic, Anti-Negro and Neo-Fascist group in New York City which is subject of security-type investigation and presently under consideration by Department pursuant to Executive Order 10450. By airtel 2/2/59 New York was instructed to intensify this investigation in order to develop competent evidence to prove the allegation that subject is acting as an agent for Arabic diplomatic establishments in New York City or other governments. New York has been instructed to submit a comprehensive report within 30 days of the receipt of referenced airtel and vigorously pursue investigation. The purpose of this letter is to set forth possible leads in order to accomplish objectives of this investigation. In reviewing instant investigation, it was noted report of SA [redacted] dated 6/3/57 in captioned matter reflects [redacted] advised 4/29/57 that Madole had indicated he was running out of Egyptian literature and could no longer trust [redacted] to go to the Egyptian office to obtain it for him. Interview with [redacted] would appear to be a most logical investigative step; however, our files reflect he was arrested 10/6/44 on an attempted robbery - disorderly conduct charge and on 7/6/51 arrested

A New York City police detective advised [ ] is also a homosexual and a reliable informant says he is alcoholic. In view of this information, it is felt that no further consideration should be given to interviewing him regarding the subject.

With regard to Frederick Weiss, mentioned in above letter to New York, it is noted that he was former security index subject based on pro-German, Neo-Nazi organizational activities in the U. S. On 1/15/54 a reliable informant advised Weiss was alleged to be the author of a book entitled "The Enemy of Europe," which was distributed in Germany by the outlawed Socialist Reich Party and which stated Russia will be the only salvation of Western Europe. Weiss was removed from the security index 9/26/55.

SUBJECT ARAB PARTICIPATION AND INFLUENCE IN  
DISTRIBUTION OF HATE LITERATURE IN  
THE UNITED STATES  
IS - MIDDLE EAST

A series of five articles appeared in the "New York Daily News" from 1/20-24/59 written by David Burk entitled "Peddling Hate in America: Egypt's Nasser." In these articles Burk accuses the Arabs (particularly President Nasser of the United Arab Republic) for fomenting much of anti-Jewish acts perpetrated by hate groups in United States by alleging anti-Jewish literature prepared by the Arabs has been given to Americans active in racist and hate campaigns for distribution. The articles further point out that some of these racists have been in contact with Arab officials and establishments in this country and some of their publications have contained pro-Nasser propaganda, the implication being that such propaganda was furnished by the Arabs. One Photostat each of these articles is enclosed for the use of each recipient office.

These articles specifically name certain persons as being leaders of a hate corps acting in behalf of President Nasser of the United Arab Republic in spreading anti-Jewish literature in this country through their publications or their activities. (11) George Lincoln Rockwell  
6512 Williamsburg Boulevard  
Arlington, Virginia

Bufiles reflect Rockwell was suspect  
in connection with the bombing of the Jewish  
Temple at Atlanta, Georgia, on 10/12/58. WFO's  
attention referred to WFO file 100-34886  
entitled "George Lincoln Rockwell, Information  
Concerning," Richmond's file number not known.

In order to ascertain the extent of Arab participation  
and influence in the distribution of hate literature in the  
United States, a file has been opened bearing instant caption.  
Each office is instructed to make a complete and thorough  
review of its files concerning the above individuals and  
publications published by those persons located in their  
respective divisions in order to locate all information  
which may indicate Arab influence, associations or connection  
in any way with above persons or their publications. You  
should be particularly alert for any information indicating  
that articles prepared by the Arabs or constituting Arab  
propaganda are published in any of the publications. You  
should also be alert for all information showing contacts on  
the part of the above-mentioned racists with Arab officials  
or diplomatic establishments in the United States. In  
addition to a thorough file review, you should also contact  
established sources and informants for any information they  
may have in this regard. All leads developed therefrom  
should be afforded thorough and intensive investigation. The  
results of your efforts in connection with above should be  
set forth in detail, properly documented as to source, in  
report form under instant caption and submitted within 30  
days from receipt of this letter.

Object of this file is to compile a complete  
picture of this particular situation and to effect a definite  
separation of this investigation, for report purposes, from  
any past or present investigations of these individuals, their  
organizations and their publications. This will eliminate  
reporting of extraneous data in connection with this case.  
The New York Office is designated as office of origin.

Letter to SAC, New York  
Re: Arab Participation and Influence in  
Distribution of Hate Literature in  
the United States

Reports in this case should be designed to provide a well-documented picture of the background of the individual involved, the nature and extent of his participation in distribution of hate literature, the allegations in the news articles indicating his connections or associations with the Arabs, any prior data available in files on this point, and results of investigation to determine extent of participation and influence in or control of his activities by Arabs. Reports should be planned and coordinated so that Newark Office report, for example, will be restricted to data regarding Conde McGinley. In some offices several individuals will be involved and report should be broken down according to individuals. All offices should bear in mind in connection with interviews conducted as to whether persons being interviewed can furnish information regarding individuals in other offices and promptly furnish such data to appropriate field offices for inclusion in reports prepared by them.

In the event recipient offices are aware of other individuals or publications which allegedly are being used by or cooperating with Arabs in distributing hate literature, such information should also be set forth in these reports.

In any instance where data is developed or available indicating possibility of Registration Act violation separate cases should be opened promptly aimed at obtaining evidence and the investigation should be given continuous and preferred attention. Bureau should be advised immediately when case is opened. Concise summary of data developed in such individual case, carefully documented as to source, should also be reported in this control file.

With regard to the individuals mentioned as racists in the "New York Daily News" articles as set forth above, the recipient offices may confine their file reviews to those persons and publications located in their respective divisions with the exception of the Washington Field Office and New York Office. The latter two offices are instructed to review their files and contact appropriate sources concerning each of those individuals and publications inasmuch as Arabic diplomatic establishments with which those persons may have been in contact are located in Washington, D. C., and New York City. In addition, WFO and New York should thoroughly

Distribution of Hate Literature in  
the United States

review information obtained through coverage on Arabic  
diplomatic establishments for any data pertinent to this  
study. New York should also contact Customs to ascertain  
if any bulk shipments of Arab propaganda have been  
observed and to whom such shipments were designated.

Give this matter your continuous and prompt  
attention and make certain 30-day deadline is met.

[redacted] that there was no specific information in the files [redacted] indicating that JAMES MADOLE and/or the National Renaissance Party, are or have been distributing any literature at the direction of any foreign power

[redacted] did state, however, that although [redacted] has no proof, it would appear that the Egyptian Consulate in New York City is supplying information of an anti-Jewish nature, that is subsequently being incorporated in the National Renaissance Bulletin, which is in turn sold to the subscribers of this bulletin. [redacted] also stated that [redacted] have received information that pamphlets put out by the Egyptians and undoubtedly given to the NRP free, are being stamped with the name and address of the NRP and are being sold to supporters of the latter organization.

[redacted] also advised that he has no specific information that MADOLE's or the NRP's activities were being directed by any foreign power. He stated, however, that the Iraqi government has written articles on Jewish life and that he believed MADOLE had attempted to negotiate with the Iraqi government in an effort to obtain copies of this material.

[redacted] advised that he had absolutely no information that MADOLE was receiving any money from the Egyptian, Iraqi or any other foreign governments in connection with the activity of the NRP. He stated, however, that there was no question, but that the Egyptians were furnishing MADOLE with literature put out by the Egyptians with the knowledge that MADOLE was disseminating this material to the latter's followers. [redacted] pointed out that he has no definite information as to who specifically MADOLE is dealing with at the Egyptian Consulate or the particular arrangement MADOLE has with the Egyptians in this connection.

[redacted] advised that his information concerning MADOLE's connection or arrangements with the Iraqi government are extremely limited and other than the information set out above he has no definite knowledge that MADOLE has or is using any Iraqi propaganda in his NRP publications.

As to the source of the material utilized by MADOLE in the latter's speeches and writings, [ ] advised that he has heard that MADOLE spends considerable time in the New York Public Library, where [ ] stated there is available source material that could be utilized by MADOLE. [ ] advised that the Public Library material and information supplied by the Egyptians and probably the Iraqi probably is the main source of information available to MADOLE in connection with his activities regarding the NRP. [ ] pointed out that MADOLE would no doubt also have access to other anti-Negro and anti-Jewish propaganda, published by racist groups throughout the country. Concerning the identities of any persons or organizations in the United States, other than foreign establishments that have or are supplying MADOLE with money or materials to carry on the work of the NRP, [ ] stated that he could not name a single person or organization that had assisted MADOLE money wise in the operations of the NRP. [ ] did state, however, that MADOLE has a mailing list of persons who subscribe to the NRP publication, which would be one source of revenue available to MADOLE in this connection. [ ] also stated that there well could be persons or organizations that assist MADOLE financially or otherwise, but that the identities of these persons are not known either to [ ] or [ ] b7C

As a matter of interest, [ ] volunteered that some months ago, an individual named [ ] had purchased a quantity of MADOLE's old literature, for which [ ] paid an unknown amount of money. [ ] stated that [ ] was described to him as "of Lebanese nationality and a shadowy figure". [ ] could not further identify [ ]

In conclusion, [ ] stated that neither he nor [ ] had any documentary or other evidentiary data that would tend to show that MADOLE or the NRP was acting at the direction of, or on behalf of a foreign principal.

FEDERAL BUREAU OF INVESTIGATION  
INTERVIEW REPORT

~~SECRET~~

Date 2/20/59

~~CONFIDENTIAL~~  
FREDERICK WEISS, Mt. Hope Road, Middletown, New York, advised that he has not been in contact with MADOLE or the activities of the National Renaissance Party (NRP) for the past three years. WEISS stated that his reason for ceasing his connections with MADOLE and the NRP grew out of MADOLE's adamant attitude in connection with continued preaching of the abolition of the present form of elections in the United States and the parliamentary procedures in existence in connection with the government of the United States. At the outset of the interview WEISS stated that he did not have any documents or other evidence that would establish that MADOLE was acting on behalf of or at the direction of a foreign government in connection with the activities of the NRP. WEISS stated that all of the information that he had concerning the activities of MADOLE and the NRP were his "personal impressions" that he had gained through his association with MADOLE and other individuals connected with the NRP movement.

Concerning the source of MADOLE's materials in connection with the latter's published articles and street corner speeches, WEISS stated that MADOLE is an avid reader of any material dealing with the anti-Negro and anti-Jewish situation. WEISS was unable to specifically state any particular source that MADOLE had in this regard. WEISS volunteered, however, that prior to the time he ceased associating with MADOLE, he, WEISS, had furnished MADOLE with a substantial amount of material that he obtained from reading OSWALD SPENGLER's book "The Hour of Decision". WEISS stated that he has also supplied, on an infrequent basis, articles which he, WEISS, wrote on the question of "Brotherhood".

WEISS stated that MADOLE receives probably a sufficient amount of money through his operation of the NRP to maintain and continue on a limited basis, the operation of the NRP. WEISS stated that at the time that he was more closely associated with MADOLE, the latter had a mailing list of from one to two hundred names, most of whom were in the southern part of the country. The persons on this mailing list were furnished with a copy of the National Renaissance Bulletin, each month, which costs twenty-five cents a copy. WEISS stated that MADOLE also sold pamphlets and other materials which he obtained from Egyptian Consulate, New York City, to his subscribers also at twenty-five cents a copy.

DETAILS:

I. INFORMATION CONCERNING MADOLE'S RESIDENCE,  
EMPLOYMENT AND BACKGROUND

b7C

[redacted] indicated on March 17, 1959, that JAMES MADOLE continues to reside at 10 West 90th Street with his mother, GRACE MADOLE, and continues to operate the National Renaissance Party (NRP) from this address, however, he is otherwise unemployed.

[redacted] Bureau of Special Services, New York City Police Department, advised on February 28, 1959 that an unknown man entered the subject's apartment at 10 West 90th Street at 11 p.m. on February 27, 1959 and after engaging the subject in political discussion for several hours he displayed a pistol and stated he had come to kill the subject. [redacted] stated that this individual, upon learning that the subject's mother was also in the apartment, indicated he would not kill the subject, but instead tied up the subject and locked the subject's mother in the bathroom. He then took \$40 in cash as well as the mailing list of the NRP from the subject at gunpoint. [redacted] indicated that MADOLE had stated that he does not know the identity of his assailant or his motive in committing this robbery. He stated that the description of this unknown individual was as follows:

Age	25
Height	5'5"
Weight	140 pounds
Complexion	Dark
Hair	Dark, straight
Nationality	Appeared to be Italian or Latin nationality

[redacted] further advised on March 17, 1959 that an individual named [redacted] was shot by New York City Police on March 14, 1959 and seriously wounded while resisting arrest on a disorderly conduct charge.

NY 105-6129

[ ] stated that an [ ] had contacted the police and suggested that [ ] a free lance writer, may have been the person who robbed MADOLE on February 28, 1959. [ ] stated that MADOLE was unable to furnish a positive identification from pictures of [ ] shown to him by the police. However, the police intend having MADOLE view [ ] in person when he is removed from the critical list at Bellevue Hospital.

## II. INFORMATION CONCERNING MADOLE'S ACTIVITIES WITH ARAB COUNTRIES

On February 24, 1959, [ ] Registration Section, Internal Security Division, Department of Justice, advised the files of that office contained no registration for the subject or the NRP as an agent for a foreign principle or as a propaganda agent for a foreign principal.

[ ] indicated on February 25, 1959 that JAMES MADOLE is presently at work on his next issue of the NR Bulletin. He stated a portion of this bulletin would be devoted to a reply of the "New York Daily News" articles by DAVID BURK which recently appeared. [ ] indicated that MADOLE had stated that he has no new Arab literature at present, but has ordered several hundred more copies of his latest two NR Bulletins which will be mimeographed at the offices of "Common Sense".

[ ] indicated on February 28, 1959 that MADOLE indicated that a person unknown to him came to his apartment at 11 p.m. on February 27, 1959 and shortly after he entered the apartment he produced an automatic pistol and stated "this is a holdup". MADOLE stated the stranger then proceeded to examine all of his files, literature and correspondence and remained there until about 3 a.m. MADOLE stated this individual had taken the mailing list of the NRP which would greatly handicap MADOLE in his mailing of the NR Bulletin. MADOLE added that he had never seen this individual before, but believed the robbery to have been engineered by FRED WEISS and his co-workers who are at work for a Jewish organization.

NY 105-6129

[ ] indicated on March 3, 1959 that MADOLE has prepared the next issue of the NR Bulletin, the title of which will be "Who Are the Real Hate Monger?" He stated, however, the mimeographing of this bulletin will be delayed at least a week because of the inability of "Common Sense" to handle it at this time. He stated that MADOLE in this article indicated that Jewish organizations are demanding a passage of legislation banning all publications which dare to oppose the activities of the Jews. He singles out Senator JAVITS and Senator KEATING who he indicates "earn their living by wagging their tongues at Jewish fund raising dinners for the State of Israel". He stated that Jewish organizations are demanding that "anti-Semitic" political organizations like the NRP must be either outlawed or crippled by legislation which would bar their literature from going through the mail. MADOLE states that instead of demanding a study of the known existent linkage between the NRP and the Government of the United Arab Republic (UAR) as recently claimed by DAVID BURK in the "New York Daily News" articles, he suggests a congressional study of methods by which a foreign state, the State of Israel, solicits hundreds of millions of tax deductible dollars each year to build up her war machine in the Middle East. MADOLE concludes the article by stating "let's get after the real hate mongers" and states the NRP is uncompromisingly dedicated to this task.

b2  
b7C  
b7D

[ ] indicated on March 17, 1959 that MADOLE had received his copies of this bulletin dated January, 1959 from "Common Sense" where it was mimeographed and is presently distributing this issue.

[ ] indicated on February 25, 1959 that he had never heard of JAMES MADOLE, but was almost certain that he was not acting at the order or request of the Arab Government, if he was issuing and distributing propaganda on behalf of the Arabs. This source explained that he makes this statement based on the fact that he has been closely associated with high-ranking Arab diplomats

NY 105-6129

in New York City for the past several years. During this association he has never heard them indicate that they were employing anyone to assist in the distribution of propaganda material. He pointed out that on the contrary, they are in most instances very anxious to avoid being associated with any groups in the United States with "shady reputations" for fear they might be accused of interfering in the internal activities of the United States. He stated that the Arab establishments will mail literature to any individual who writes them requesting such literature.

[redacted] was interviewed NY 105-6129  
on February 25, 1959 by SAS [redacted] and [redacted] b7C  
[redacted] on another matter and he furnished the following  
concerning JAMES MADOLE:

He stated that he had been acquainted with MADOLE for several years and had attended several meetings of the NRP in MADOLE's apartment. He stated that to his knowledge MADOLE operates the NRP to suit himself and he knows of no one who is directing MADOLE's activities. He added that he knew of no connection between MADOLE and any foreign government. NATIONAL RENAISSANCE PARTY b7C

[redacted] was interviewed on January 23, 1959 by SA [redacted] concerning another matter, and furnished the following concerning JAMES MADOLE:

He stated he had attended one meeting of the NRP at MADOLE's apartment, 10 West 90th Street, in the fall of 1958. [redacted] advised that he considers MADOLE to be an intelligent but fanatical anti-Semite who blames the Jews for all of the world's ills. [redacted] stated that he once heard MADOLE say that he believed that the solution of the "Jewish problem" would be the "sterilization of all Jews." [redacted] stated that he considers MADOLE to be a "nut" with whom he wants no further contact.

NY 105-6129

[redacted] was interviewed on February 12, 1959 by SAS [redacted] and [redacted] concerning another matter and furnished the following concerning JAMES MADOLE:

[redacted] advised that he knew the NRP to be an organization sponsored by JAMES MADOLE. He said that he did not think the NRP was much of an organization as MADOLE seemed to be about the only active member.

[redacted] said that [redacted] at MADOLE's apartment, 10 West 90th Street, New York City.

[redacted] advised that these meetings had been attended by about three to six individuals, including MADOLE, and that he believed most of those in attendance came to ascertain the nature of MADOLE's activities or from curiosity. He said that he believed that certain Jewish organizations in New York City are aware of MADOLE's activities and the NRP and that they consider him to be harmless.

[redacted] described MADOLE as a person who is violently opposed to Jews and as one who advocates complete elimination of the Jewish people. [redacted] stated that he does not believe MADOLE is capable of violence, however, despite his radical feeling with regard to the Jewish people. [redacted] advised that he, himself, deplores violence.

[redacted] stated that he could furnish no information regarding any foreign connections, affiliations or financial backing on the part of JAMES MADOLE and stated that he seriously doubted the existence of any such connection. [redacted] stated that because he disagrees with the extremely radical approach of MADOLE, he has avoided him and has in fact had no personal contact with him for about two or three years. [redacted] stated that he has seen MADOLE in recent months at meetings at Nola Studios

NY 105-6129

and Steinway Hall in New York City, but that he has not spoken to him. [ ] said that he does not like MADOLE and MADOLE does not like him. [ ] characterized the meetings, mentioned above, as open affairs at which eugenics and anthropology were the topics of discussion. He said that MADOLE sometimes made anti-Jewish remarks during these meetings.

[redacted] New York City, and as such has been in contact with JAMES MADOLE for the past five years. He stated that he has seen MADOLE about once a month during this time and that MADOLE knows he is employed [redacted] but nevertheless MADOLE furnishes him with literature of the National Renaissance Party (NRP) and information regarding activities of the NRP. [redacted] stated he has never paid MADOLE for this literature or information nor has he ever contributed any money to the NRP. [redacted] added he has never received information concerning MADOLE or the NRP from any other individuals except MADOLE and has never employed anyone to seek information concerning the NRP or MADOLE.

b7C  
b7D

[redacted] stated he has no evidence indicating MADOLE is acting as an agent of a foreign principal and does not know whether MADOLE is being directed or encouraged by any foreign government in his distribution of Arab literature.

[redacted] stated he does know that MADOLE has made the rounds of all of the Arab establishments in New York City for the past several years and has collected Arab literature which he stamps with the name of the NRP and distributes to his NRP following. He stated that MADOLE told him the Arabs (not specifically indicated by MADOLE which Arabs) had asked him not to stamp their literature with the name of the NRP, however, MADOLE had indicated that it was necessary for him to place the name of the Party on this literature in order to obtain publicity for the Party. [redacted] stated that MADOLE formerly had utilized [redacted] to aid him in picking up literature at the Arab establishments, but inasmuch as [redacted] is a heavy drinker and as a result had caused MADOLE to lose some of his contacts for literature in Arab establishments, that MADOLE no longer allows [redacted] to pick up literature.

but believes that MADOLE did tell him about some information he furnished to the Iraqi Consulate concerning several of their female employees, which resulted in their being dismissed. [redacted] was unable to recall the nature of this information.

[redacted] added that he believes the "New York Daily News" articles concerning MADOLE and his connection with the Arab countries were greatly exaggerated and stated he regards them as a "new low in inaccurate reporting". He stated he believes MADOLE has actively sought cooperation with the Arab countries in order to benefit the NRP, but has not been successful except in his being able to obtain some of their literature. [redacted] added that he believes the NRP at present is a very small group consisting mainly of MADOLE, which has no officers and is directed by no one except MADOLE.

FEDERAL BUREAU OF INVESTIGATION  
INTERVIEW REPORT

Date 3/18/59

[redacted]  
[redacted] New York City, indicated that he ~~u.p.~~ believes there has been a connection between JAMES MADOLE and officials of Arab countries in the past. However, he has no evidence that MADOLE is acting as an agent of any Arab establishment in the distribution of their literature or is acting at the order of any foreign government. He stated that he believes any cooperation which has existed between MADOLE and Arab countries has been more on MADOLE's part than by the Arabs. He stated that MADOLE has hoped to receive some financial aid from the Arabs but according to [redacted] the only aid which he has received has been the receipt of free Arab literature which MADOLE has stamped with the name of the National Renaissance Party (NRP) and sold through the channels of the NRP.

b7C

[redacted] added that MADOLE for about the past 4 years has regularly visited various offices of Arab establishments and obtained large quantities of literature which is generally distributed free of charge to the public but not in such quantities as MADOLE has obtained. [redacted] said MADOLE's chief source of literature has been the United Arab Republic Information Office at 900 Park Avenue. However, since a change of personnel in 1958, MADOLE has found it more difficult to obtain literature at this establishment because some individuals there have been ordered not to furnish him with literature.

[ ] stated that MADOLE is a dedicated fanatic and it would not be possible for anyone to direct his activities. However, MADOLE may have received advice from time to time from the Arabs on matters concerning articles MADOLE has written for the National Renaissance Bulletin.

[ ] stated that he does not believe any official Arab government encourages this cooperation with MADOLE because of the notoriety which MADOLE has received as being an extremely radical person.

b7C

[ ] indicated that recently MADOLE has been obtaining information from various Arab establishments and other sources concerning United States companies which do business with Israel. In this regard MADOLE has attempted to contact officials of the Russian establishment in New York City, and hoped to obtain their cooperation in compiling a black list of companies which he hoped to compile in a book and sell for \$50.00 a book. [ ] added that MADOLE also had considered obtaining subscribers to such a book among governments of the Middle East who would be interested in a complete list of firms doing business with Israel.

[ ] stated that during the past several years he has utilized the services of [ ] in obtaining information concerning MADOLE's activities and in obtaining literature of the NRP. He stated he has paid [ ] about \$15.00 weekly on the basis of literature and information delivered to him. He said that [ ] is unemployed at present and has never been able to hold a steady job because of his addiction to alcohol. He stated that on several occasions he had furnished money to [ ] for a specific purpose in connection with attending a meeting for obtaining literature and [ ]

NY 105-6129

had used the money for alcohol. [ ] added that he has never furnished any money to [ ] or anyone else for the operation of the NRP. He added that [ ] is the only person at present whom he receives information from concerning MADOLE; however, in the past he has used [ ] who were members of the NRP 5 or 6 years ago.

[ ] stated that he does not believe anyone furnishes financial support to the operation of the NRP and that the small amount of money necessary to run this organization is obtained by the sale of literature and the National Renaissance Bulletin. [ ] added that MADOLE receives all of his material support for board and room from his mother, GRACE MADOLE.

b7C

[ ] concluded by stating that the only tangible evidence that he has concerning any connection or cooperation between MADOLE and any Arab establishments is the Arab literature which MADOLE has distributed in the past. [ ] stated that all of this literature is stamped with the name of the NRP. However, he stated that he believes several of these stamps were made about 4 years ago by [ ] and that he knows that [ ] possesses one and that he himself has one of these stamps containing the name of the NRP.

[ ] stated that he knows of no individual who would have any first hand knowledge of MADOLE's contact with officials of any Arab establishment or who would be able to furnish information indicating whether or not MADOLE is acting as an agent of any foreign government. He stated that he was not familiar with any individuals connected with MADOLE in the past by the name of [ ]

b7c

[redacted] stated that he never furnished any information to anyone concerning MADOLE's activities or those of the NRP, and had never received any money for any work which he had done in connection with the NRP. COMMON SENSE

It is noted that "Common Sense" published by the Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee". According to the report, "Common Sense" depicts Communism as "Judaism", and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

NATIONAL RENAISSANCE PARTY

On April 21, 1958, a confidential source stated that the National Renaissance Party is an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949, by JAMES H. MADOLE who is in complete control of the party. The party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The Un-American Activities Committee of the United States House of Representatives in a preliminary report, dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American."

### American Rally

The February 22, 1954, edition of the "Chicago Sun Times" newspaper contained an article on page 1, column 1, which indicated that BURR MC CLOSKEY, National Executive Secretary of the American Rally, helped to form this organization in Detroit, Michigan in February, 1952, for the purpose of promoting the presidential candidacy of Brigadier General HERBERT C. HOLDRIDGE (retired). MC CLOSKEY pointed out that the rally was a coalition of "his" United Labor Party, HOLDRIDGE's Vegetarian Party, and remnants of the old Technocracy movement.

In June, 1950, two sources advised that the dominant leadership of the American Rally came from the United Labor Party which was a Socialistic, anti-Capitalistic organization composed of former members of the Socialist Workers Party and Communist Party which aimed at the establishment of a labor republic based on the idea of production for use and not for profit. It claimed to provide leadership for the working class.

In May, 1958, a third source advised that the American Rally gave its support to political candidates on a local or national level whose platforms were in line with the aims of the American Rally. This organization also directed its support or criticism toward national, medical and military issues. Source further advised that the American Rally formerly had its national headquarters at 6344 North Broadway, Chicago, Illinois. However, since June, 1957, this organization has been dormant and there has been no indication that any of its former officers have attempted to reactivate the American Rally.

SUBJECT.

JAMES H. MADOLE  
INTERNAL SECURITY - UNITED ARAB REPUBLIC;  
REGISTRATION ACT - UNITED ARAB REPUBLIC

JAMES H. MADOLE advised that in connection with material he has published for the National Renaissance Party (NRP), he has never been approached by any representative of any foreign government to act on their behalf. He also stated that no foreign government official has requested him to publish any material favoring a particular stand of a foreign government in any of his, MADOLE's, publications. MADOLE also advised that at no time has he ever received any money from any agency of any foreign government in connection with his associations with the NRP, or for any other reason. MADOLE further advised that at no time had he ever been approached by a representative of a foreign government with a solicitation that MADOLE publish material concerning a foreign government in any of his, MADOLE's, publications. MADOLE stated, however, that he has, on numerous occasions, published material in his publication, ~~primarily~~ the "National Renaissance Bulletin" concerning matters in which a foreign government had an interest. Although MADOLE frankly stated he could not afford to be specific in this regard, that he did, from time to time, publish in his "National Renaissance Bulletin" economic and political material affecting countries other than the United States. He stated that if the material in question was pertinent to a particular problem in a foreign country, he would supply this particular foreign government, either in the United States or abroad, with copies of his material dealing with this particular problem.

When questioned concerning whether the bulk of his material was concerned with the so-called Middle East countries, MADOLE stated that he did not want to answer that question directly, and replied that the information might concern any country in the world. MADOLE indicated that he

EAB:vmk

NY 105-61291

would not specify any particular foreign representative or foreign government which he had furnished literature to, inasmuch as he did not want to divulge his contacts in this regard.

MADOLE was questioned whether he had ever received any correspondence <sup>resulting</sup> from his furnishing copies of his "National Renaissance Bulletin" to representatives of foreign governments. MADOLE stated that he had never received any replies from any government to whom he had sent his material in which that government had commented on the content of his material. MADOLE stated that not only had he not received any acknowledgements in sending this material, but that he had not received any remuneration for having directed this material to these foreign governments.

MADOLE stated that during the past several years he had obtained quantities of literature published by foreign governments which he had stamped with the name of his party, the NRP, and had distributed to members of this party. He stated he had never sold any of this literature, and indicated that it would not be profitable to attempt to sell this type of literature. MADOLE indicated that this literature was obtained from many different foreign countries and was by no means restricted to Arab countries, although it was primarily concerned with countries which have a strong nationalistic tendency. MADOLE again stated that he would not specifically indicate which countries he had obtained literature from, or any specific foreign representative who had furnished him with such literature. He explained generally this literature dealt with the same aims and objectives which the NRP supports.

Concerning the NRP, MADOLE stated that he had never made public the number of its members, and would not do so at this time; however, he indicated that several weeks ago, when he was robbed, that over 5,000 names were taken from his files, and this did not include all of the names which he maintained. He stated, however, that he did not necessarily

NY 105-61291

mail the bulletin or other literature to everyone, on his mailing list, inasmuch as the cost would be prohibitive. MADOLE would not indicate the number of persons whom he did mail literature, or the number of copies of the "National Renaissance Bulletin", which are produced each month. He added that he knows that his literature has been received in all states of the United States, and in many foreign countries. MADOLE explained that finances for the party are obtained from contributions and from the sale of the "National Renaissance Bulletin", and other party literature. He stated that he is the only person who is authorized in the NRP to print literature, and to his knowledge, no other individual has ever used the stamp of the NRP on any literature. He indicated he knows of no person in the NRP who has been solicited by a foreign government to perform any services. MADOLE identified an individual named [redacted] as a follower of the NRP by the name of [redacted] who resides at [redacted] New York City, but indicated that he was not more active than any other NRP member, and had never been in contact with any foreign government in behalf of the NRP, so far as MADOLE knows.

b7C

MADOLE stated that he does not know any individual by the name of [redacted] and stated no one by this name has ever been associated with him.

MADOLE said that it was his opinion that the reason the "New York Daily News" articles concerning him, which had been written by DAVID BURK, were investigated and probably written by the Anti-Defamation League of B'nai B'rith, in New York City, in an effort to embarrass the United Arab Republic Government at a time when it was seeking a re-approachment with the United States Government. He based this observation on the fact that the November, 1958, Anti-Defamation League Bulletin contained information and pictures identifiable to that which later appeared in the "Daily News" articles. He cited an example of this was information contained in the November, 1958, Anti-

NY 105-61291

Defamation League Bulletin concerning HAROLD ARROWSMITH,  
which appeared January 20, 1959, in the "Daily News" articles.

MADOLE indicated that in the event that this  
Bureau desired to interview him in the future, that he  
would make himself available.

SA [ ] participated in this interview  
which was conducted on March 19, 1959.

Department advised that if additional information is received indicating activities of subject are being controlled by foreign principal, matter of solicitation of subject's registration would be reviewed again in light of additional evidence. This investigation was intensified on 1-29-59 upon instructions of Director in order to bring to logical conclusion and to get Department to make up its mind. Intensified investigation, which included interviews with colleagues and associates of Madole, representatives and investigators of Anti-Defamation League, and other Jewish organizations, and interview with Madole himself developed no evidence that Madole is being paid by a foreign government or actually being controlled or directed by such government. All logical investigation has now been conducted and although investigation does not appear to have developed any evidence indicating Madole's activities are being controlled by a foreign principal, ~~felt~~ case should be referred to Department for its opinion based on investigation subsequent to 5-27-58.

NOTE: Subject is president of National Renaissance Party (NRP), an anti-Semitic, anti-Negro and neo-Fascist group in NYC, concerning whom we have conducted an intensive Registration Act investigation in order to ascertain if he has incurred the obligation to register pursuant to provisions of Foreign Agents Registration Act in view of his distribution of Arab propaganda in New York area, a large amount of which was obtained by him from Arab diplomatic establishments. We referred this matter to the Internal Security Division on 4-20-59 for opinion and this is first follow-up letter. Memo 1-29-59 [redacted] to Belmont called attention to a series of articles in "New York Daily News" and attached airtel to NY instructing Registration Act investigation of subject be intensified to develop competent evidence if subject actually was acting as an agent of Arab principals so as to create a legally enforceable obligation for him to register. The Director noted that we should intensify this investigation and try to get the Department to make up its mind, it being noted investigation previously referred to Department 4-25-58 for Registration Act opinion and on 5-27-58 Department advised there was no evidence as to create a legally enforceable obligation to register.

## Office Memorandum • UNITED STATES GOVERNMENT

TO : Director, Federal Bureau

DATE June 2 1959

FROM : J. Walter Yeagley  
Acting Assistant Attorney General  
Internal Security DivisionSUBJECT: JAMES H. MADOLE  
INTERNAL SECURITY - UNITED ARAB REPUBLIC  
REGISTRATION ACT - UNITED ARAB REPUBLIC

Reference is made to your memorandum of April 20, 1959, and to investigative reports submitted by your Bureau subsequent to our letter of May 27, 1958, concerning the captioned subject. You request to be advised whether the subject has incurred an obligation to register under the Foreign Agents Registration Act of 1938, as amended.

While the information submitted indicates that the subject continues to distribute pro-Arab literature and has prepared articles for certain Arab officials, the evidence presented regarding these activities fails to support an agency relationship. As this Division pointed out in our letter of May 27, 1958, where there is a strong likelihood of a subject resisting a request for registration, it is desirable that the evidence be such as to establish an element of control by the foreign principal over the alleged agent. In this case the subject appears to be acting voluntarily to further the aims and principles of his political party. Moreover there is no evidence that the subject is receiving compensation from any Arab government. Thus, to date the subject's activities are not such as to create a legally enforceable obligation to register under the Foreign Agents Registration Act.

You are instructed to incorporate in a closing report the pertinent information regarding the Department's prosecutive opinion as set forth in the enclosed memo. Although no further investigation regarding the subject is being requested at this time as to possible Registration Act violation on his part, you should be alert to the receipt of any information in the future which would tend to support an agency relationship between the subject and foreign principals. (S) [ ] According to [ ] MADOLE stated that on February 27, 1959, he had been roughed up by a gunman, who had broken into his home, wrecked his house and threatened to shoot him. MADOLE stated that the gunman had been at his home from 11:00 p.m. to 6:30 a.m. MADOLE commented that the New York City Police Department (NYCPD) thought that the gunman was sent by an organization because of newspaper publicity. MADOLE stated that the gunman had taken his files, but did not take his documents. "Animism" was a philosophy developed by James H. Madole based on values of individual personality, private enterprise and government by the intellectual elite. He attacked democracy as "rule by the ignorant mass" and rejected the "liberal democratic line" which he called the general idea of breaking down all forms of racial pride and the general idea of mongrelization of the races.

Chief of Police Jess Dingee, Beacon, NY PD, advised that [redacted] possessed information concerning a movement which was underway among students in the Beacon High School.

[redacted] related that the leader of the movement, which was known as "Youth of America" (62-80371), was James H. Madole, 224 E. Maine St., Beacon, NY, who was a student in the senior class at that high school.

According to [redacted] visited Madole's home on 10/17/45 with [redacted] two other high school students, and returned with a notebook containing information concerning "Youth of America." This information revealed that the group was also known as the "Animalist Youth Corps," and indicated that "Animalism" was the only correct form of government, that other governments were run by Jews and communists.

The Anti-Defamation League of B'nai B'rith (100-530) issued a pamphlet captioned, "Anti-Semitism in the United States in 1947." Discussing anti-Semitic activities in the NY area, it indicated that a new figure appeared during the year in the person of James Madole, head of the one-man "Animist" Party. The pamphlet stated that Madole, a prolific letter-writer, attempted by his correspondence to weld the scattered anti-Semitic leaders into a "nationalist" movement, presumably under his own leadership, but his movement made no noticeable progress.

During the course of an investigation of the National Blue Star Mothers of America, an organization closely associated with the Christian Nationalist Party Movement (62-43818), trash covers were placed on the officers of the first organization and W. Henry MacFarland, Jr., reportedly a member of that organization. The exhibits obtained revealed extensive correspondence on the part of MacFarland with members of various nationalist groups throughout the US. Among the individuals named was James H. Madole, national director of the "Animist Party", 224 E. Main St., Beacon, NY.

Correlator's Note: Serial 983 of this file carries as an enclosure voluminous material obtained during the above trash covers including letters dated in 1947 and 1948 from Madole to MacFarland and exhibits] about Madole and his Animist Party in 1948.

In reference to above trash covers on W. Henry McFarland, Jr., one of the letters dated 4/11/47 from James H. Madole revealed a claim on the part of Madole to the effect that the Animist Party was "acting as a central coordinating group" for various nationalist groups in all parts of America and Canada. These groups were not named by Madole.

A trash cover on W. Henry MacFarland, Jr., 876 Granite St., Philadelphia, Pa., disclosed that during the summer of 1948, MacFarland announced that "National Progress" was presenting its second Nationalist Guide Calendar of publications, organizations, individuals and activities. The guide was made available through this source and contained the following item under the caption, "Correspondence Wanted":

"Madole, James H. 224 East Main Street, Beacon, N.Y. desires correspondence with Nationalists and constructive right-wing thinkers who are interested in a unification of the anti-Communist, anti-Internationalist forces in America. Is Director of the American Renaissance League."

Chief Louis Olson, Hinckley Police Department, Hinckley, Illinois, made available an official program for the Nationalist Unity Conference on June 15-17, 1949, in the Hinckley Community Building. James H. Madole was listed as a speaker for the 6/16/49 session.

Chief Olson advised that he attended all sessions and that the main theme and only point stressed by any of the speakers was, "Save the Country from Communism." He stated that every action and every statement indicated that this was an anticommunist meeting.

The Macmillan Company, NY, publisher of the book, "The Communist Trail in America," by Jacob Spolansky (100-179502), in 1951 furnished a copy of this book to the Director. Chapter 16 captioned, "Race Riots, Communist Manufactured," discussed a riot which occurred on 9/4/49 at a concert in Peekskill, NY, given by Paul Robeson for the benefit of the Harlem chapter of the CRC. According to this chapter, James H. Madole of Beacon, NY, and Raymond Burke of the Bronx, both prolific writers and distributors of hate literature, were two of the professional agitators found in that

Further, they had come to explode the tensions and give the disturbance an anti-Semitic and anti-Negro complexion, and they carried the slogans, "Behind Communism Stands the Jew" and "For My Country Against the Jew." The chapter continued that these hate salesmen were a comparatively minor note in the cacophony; like the communists, they relished rushing into trouble spots, hoping to garner a few more customers.

The "NY Compass" dated 12/16/49 featured an article by James Allan entitled, "Sees Anti-Semitism Surging in Yorkville." The article revealed that a Yorkville Civil Rights Association had been set up to combat the activities of James H. Madole's NRP and to force Eugene Brand to stop selling the notorious California hate sheet, "The Broom," at his newsstand at 200 E. 86th St.

According to the article, Ernest S. Quimby, a long-time resident of Yorkville, stated that Madole's group was sponsoring periodic street-corner meetings in the community in a new attempt to incite anti-Jewish hysteria. Aiding Madole, he said, were a host of "nightshirts," including Kurt Mertig, head of the pro-Fascist Citizens Protective League. Quimby continued that similar meetings were being held in the Bronx where Madole's agents were setting up a "sort of hall of learning" containing the files of all anti-Semitic hate sheets.

On 1/2/50, "The Compass", NYC, carried an article (caption not given) by James Allan which revealed that on 11/1/49 Kurt Mertig, head of the Citizens Protective League, NYC, and James H. Madole attended a Yorkville, NY meeting called by the Pastorius Association and the Voters Alliance for Americans of German Ancestry to protest the dismantling of German war factories. Edward A. Fleckenstein, a lawyer who was one of the guiding spirits behind the resurgence of Pan-Germanism according to the article, said he refused to let Madole and Mertig speak until the meeting was almost over. He capitulated, "I couldn't snub them entirely."

The article identified the Pastorius Association of Greater NY as being organized as the political arm of 17 German-American social and cultural groups. It further indicated that the Voters Alliance was set up after a supposedly bitter split between Eugen Brand, Yorkville hate-sheet peddler, and pro-Fascist Kurt Mertig.

On 1/3/50, "The Compass" contained another article (caption not given) by James Allan which stated that police had cracked down on rabble-rousing open-air meetings sponsored by James H. Madole's pro-Fascist NRP at 90th St. and Second Ave. The article further stated that the NRP with headquarters in Madole's home town of Beacon, NY, was also active in Philadelphia where W. "The "NY Post & Home News" dated 1/3/50 carried an article captioned "Undercover in Yorkville; Post Reporter Poses as Nazi" by Oliver Pilat. The article identified James H. Madole as one of the most troublesome outsiders in the Yorkville area and stated the following concerning him: "James H. Madole, a neurotic girl-shy Hitler worshiper from Beacon, N.Y. This man is an asthmatic fanatic not yet 24 years old who used to plug a pseudo-scientific philosophy called 'prenarchistic animism,' but who now talks of creating Peekskill-type riots in Yorkville as a prelude to uniting all extreme nationalist groups in the U. The article revealed that Kurt Mertig, head of the pro-Fascist Citizens' Protective League, was friendly with Brand. According to the article, the December 26th issue of "The Broom" indicated that Mertig, whose group had been working closely with James H. same day, in a conference at Grand Central Station, NYC, Weiss advocated no picketing.

Fleckenstein, president of the Voters Alliance for Americans of German Ancestry (VAAGA) (105-11215), wrote a letter on behalf of VAAGA to Dr. Konrad Adenauer, Chancellor of the Federal Republic of Germany. This letter severely criticized the Adenauer government and cited 23 reasons why they should not ratify the Allied Peace Contract and the European Defense Treaty. The statements were anti-American and made a strong appeal for the revival of German nationalism. The December, 1954 edition of "Expose" newspaper featured the final article in a series of 4 articles entitled "I Am An American Fascist," by H. Keith Thompson (100-370871). In this installment, Thompson stated that during early 1953 he worked on the organization of a new cultural group known as the "American Committee for the Advancement of Western Culture." He related that months of work went into the formation of an aggressive committee from the ranks of American Nationalists, of Left, Right and Center, with a high-calibre European advisory staff. He indicated that the Board of Directors included James H. Madole.

According to Thompson, the organization was intended to be: (1) an advisory group to Americans on preservation of our traditions against the inroads of internationalist, "One-World," alien cultures and influences; (2) a political action group on questions of US domestic and foreign affairs; and (3) a group to safeguard the civil liberties of all Americans, regardless of their politics.

The 4/9/56 edition of the "Jewish Newsletter," a biweekly review edited by William Zukerman, P.O.Box 117, Washington Bridge Station, NY 33, NY, carried an item entitled "The International Antisemitic Conspiracy." This item disclosed that Dr. Fayez Sayegh, Deputy Director of the Arab States Delegation, informed a correspondent of the "Jewish Newsletter" the previous week that the recent charges made by the AIL\* (100-530) in the book, "Cross Currents" about a new international anti-Semitic conspiracy and the role of the Arab Information Center (AIC) in it were completely false. He denied that there had been any contact between any official or employee of the AIC and any known anti-Semite mentioned in "Cross Currents."

In response to questions about visits of the well known anti-Semite, James Madole, to the AIC, Dr. Sayegh pointed out the following. Madole tried on several occasions to see him. Madole was not received until the fifth visit when Dr. Sayegh granted him a two-minute interview. Madole's request for bulk quantities of AIC literature was rejected at that time. Re NY letter to Bureau, 1/30/64 and San Francisco letter to Bureau, 4/2/64.

Based on investigation conducted at Carmichael, California; at New Bedford, Massachusetts and at Saint Louis, Missouri, as reflected in referenced letters, it is believed that JAMES MADOLE, currently residing at 5248 Whitney Avenue, Carmichael, California, is the father of JAMES H. MADOLE, subject. GRACE MADOLE, mother of subject, according to her case file NY 105-19214, was divorced from JAMES MADOLE as of 1928 and was supporting a child. GRACE MADOLE was born 1/14/96. There is no indication that she has remarried. JAMES MADOLE of Carmichael, California, apparently has remarried and MADLINE MADOLE of Carmichael, California, is presumed to be his second wife.

It is not considered advisable to interview any relative of subject to verify the above conclusions. Comprehensive background information concerning subject was set forth in summary report of SA [redacted] dated 11/29/63 at NY. No further inquiry into subject's background is being made at the present time by the NYO.

For the information of the Bureau, USA, SDNY, by communication dated 4/21/64, furnished NYO copy of indictments 1070 through 1098/1963 by the People of the State of New York vs. JAMES H. MADOLE, et al (Supreme Court, Bronx County, New York).

Justice GELLINOFF in April, 1964, dismissed Account Number 1070 (Advocacy of Criminal Anarchy) on the grounds that the New York State Sedition Statute (Penal Law Section 161) had been superseded by Federal Law, and Congress had left no room for the state to supplement it. DA, Bronx County, New York, accordingly, forwarded copy of indictment, charging Advocacy of Criminal Anarchy, to the USA, SDNY for his attention. USA, SDNY requested NYO to obtain the facts in this matter at the Bronx DA's Office and report to him.

JOSEPH CERBONE, Assistant DA, Bronx County, advised SA [redacted] on 5/21/64, that the original indictment included Advocacy of Criminal Anarchy and this account was dismissed by Justice GELLINOFF, who based his decision on (Pennsylvania v. NELSON, 350 U.S. 497). Justice GELLINOFF felt that under "Pennsylvania v. NELSON" the Federal Government had entered the field and that prosecution on this account should be reserved to the Federal Government.

Dear Sir, Forgive me for intruding,  
but must tell you, my respect, and  
admiration for you is tremendous.  
I am deeply grieved at the verbal  
abuse you are receiving.

On Saturday, Nov. 14, I received  
a piece of mail, from a person whose  
(typewritten) name and address on envelope  
was James H. Madole, \*22 E. 99<sup>th</sup> St, NYC  
There was no message except printed matter  
which I did not read after looking over  
(black & white) cartoon sheet. It was violently  
anti-negro, cartoon depicting what will happen  
between black & white school children  
going to integrated schools. I immediately  
tore it up and in the incinerator it  
went. I thought, some NUT. However  
on Mon<sup>Ev</sup> Nov. 16 I was reading, "The Far  
Left," by Billy James Hargis, and low and  
behold on page \*240 - is James H.  
Madole. The name on Saturday's envelope  
from NYC. immediately came to mind, could  
scarcely sleep - so about 7 or 7:10 A.M. I called  
the FBI 201 E. 69<sup>th</sup> St NYC - told about  
the riot-inciting mail from James H. Madole

III. NATIONAL RENAISSANCE PARTY (NRP)  
MEETINGS AT SUBJECT'S RESIDENCE

Between the dates of February 11, 1965 and November 19, 1967, 166 meetings or social gatherings of the National Renaissance Party (NRP) were held at 10 West 90th Street, New York City,

NY 105-6129

which is also the residence of JAMES H. MADOLE, Director of the National Renaissance Party.

NRP meetings are held every Thursday evening and the social gatherings usually take place on Sunday afternoon. However, both the meetings and social gatherings are quite similar since they usually consist of discussions involving diatribes against both Jews and Negroes with MADOLE normally occupying the dominant role in these discussions.

JAMES MADOLE is the principal speaker at all NRP meetings and occasionally invites other individuals to speak. His speeches are usually marked with anti-Semitic and anti-Negro attacks, reflecting his hatred of both Jews and Negroes.

[redacted]  
February 15, 1965 -  
November 22, 1967

A characterization of the NRP is contained in the appendix.

b2  
b7D

At the February 11, 1965 meeting of the NRP, MADOLE spoke critically of the tax system in the United States as well as the means employed by the government in raising money through the Federal Reserve System rather than through Congress.

At the NRP meeting held on February 25, 1965, MADOLE spoke of his plans for taking over the United States and all of North America. MADOLE said that once he gained a position of control in this country he would do away with state boundaries, eliminate boundaries between this country and Canada and between this country and Mexico. MADOLE further said that he would send all undesirables, that is, Jews and Negroes to Mexico or Africa.

[redacted]  
February 15, 1965 -  
November 22, 1967

IV. PUBLIC ACTIVITIES OF NRP  
INVOLVING SUBJECT

On May 1, 1965, JAMES H. MADOLE, was present during a counter-demonstration staged by individuals associated with the NRP, in protest of a Communist Party May Day rally held in Union Square Park, New York City on that date. Although MADOLE was present he himself did not participate in the counter-demonstration.

[redacted]  
May 3, 1965

b2  
b7D

On October 11, 1965, an NRP street rally, addressed by MADOLE was held at 84th Street and Second Avenue, New York City, beginning at 8:30 PM. When MADOLE started his speech, a group of Jewish War Veterans, who were present, began to sing "God Bless America". It was virtually impossible to hear MADOLE's speech because of the crowd's jeering. However, it could be understood that his speech was both anti-Negro and anti-Semitic. The street rally terminated at 9:15 PM.

[redacted]  
October 15, 1965

On the evening of October 18, 1965, an NRP street rally was again held at 84th Street and Second Avenue, New York City, with about one thousand people gathered in the area. The crowd again jeered MADOLE and threw tomatoes at him when he launched into a denunciation of the Jews and Negroes.

[redacted]  
October 22, 1965

On 12/4/65, MADOLE and seven others from the NRP, from 11:30 AM to 1:00 PM, picketed outside the British Empire Building, Fifth Avenue and 50th Street, New York City, in protest of Great Britain's policy toward Rhodesia.

[redacted]  
December 5, 1965

NY 105-6129

On December 11, 1965, MADOLE together with ten other individuals representing the NRP, staged a rally from 10:30 AM to 2:00 PM at Times Square, to counter-demonstrate against a group who were themselves staging a demonstration to protest United States intervention in Vietnam.

[redacted]  
December 15, 1965

On February 19, 1966, in Times Square, New York City MADOLE and six other members of the NRP staged a counter-demonstration against pickets protesting United States involvement in Vietnam. The NRP members carried signs which read, "Kill Communism", and "Join NRP". The NRP demonstration began at 12:30 PM and terminated without incident at 3:00 PM.

[redacted]  
March 7, 1966

On March 18, 1966 a public meeting of the NRP was held at 8:15 PM at Robert F. Wagner, Junior High School, 220 East 76th Street, New York City with MADOLE as the principal speaker. The two hundred people present at this meeting heard MADOLE speak against the Jews and of the inferiority of the Negro race. b2 b7D

[redacted]  
March 25, 1966

On April 30, 1966, MADOLE and nine other members of the NRP, demonstrated from 12:30 PM to 2:30 PM against a May Day rally then taking place in Union Square Park, New York City. The NRP demonstrators carried signs reading, "Down With Leninism and Communism", "Bomb Hanoi", and "Join the NRP".

[redacted]  
May 6, 1966

A characterization of the United May Day Committee is set out in the appendix of this report.

NY 105-6129

On May 21, 1966, from 4:30 PM to 6:30 PM, MADOLE and ten other NRP representatives demonstrated outside the Waldorf-Astoria Hotel, New York City in protest of United States Ambassador ARTHUR GOLDBERG's stated policy in the United Nations (UN) against Rhodesia. The NRP demonstrators carried signs which read, "The UN is a Jewish Front", "Civil Rights for Whites" and "Join the NRP".

May 27, 1966

On September 2, 1966, September 9, 1966 and November 4, 1966, the NRP held street rallies at 85th Street and First Avenue, New York City and at 85th Street and York Avenue, New York City, and featured MADOLE as the principal speaker.

b2  
b7D

MADOLE on these occasions spoke of the "unfair power" of the minorities in this country, and said minority groups held so much power that the "pure Americans" were suffering for it. He further told those in the audience who tried to drown him out that they were Jews who were afraid to hear the truth of what he was saying and that his hecklers could only get away with such tactics in the United States.

September 6, 1966 -  
November 8, 1966

At about 6:45 PM on July 29, 1967, a group of seventeen individuals, connected with the NRP, appeared at the Court House in Newburgh, New York, where an NRP rally was scheduled for that evening.

After a wait of about thirty minutes, the seventeen were permitted to enter the Court House as was the general public. JAMES MADOLE, NRP leader, addressed the crowd and launched into an anti-Negro and anti-Semitic speech.

All Negroes, who comprised about 75% of the one hundred in attendance in the Court House, walked outside when MADOLE began his speech. They were joined outside by other Negroes and started to assemble on the court house steps. When dispersed by the local police, one of the Negroes protested and was arrested. The police managed to disperse the Negro crowd and escorted the NRP delegation out of the area in a police van. No further incidents occurred at that time.

NY 105-6129

Later that same evening disturbances broke out in the Negro section of Newburgh, spread to the downtown area of Newburgh, and continued until early the next morning, July 30, 1967. The disturbances resumed on the night of July 31, 1967 and concluded with a total of 72 arrests made by the Newburgh Police Department. However, there was no NRP involvement beyond the early evening of July 29, 1967.

[redacted]  
New York State Police  
July 31, 1967

The NRP sponsored a rally at Public School 169, East 87th Street, New York City, on December 8, 1967 for the purpose of restoring "white power" in the United States and to demand "civil rights" for white taxpayers. The rally lasted from 7:30 PM to 9:30 PM and MADOLE appeared as the principal speaker.

MADOLE in his address said that if he were President of the United States he would not allow any Jews into this country and would deport those Jews and Negroes already in the country.

MADOLE also said he would eliminate relief payments and described the Vietnam War as a "no-win war".

MADOLE said the United States is not winning the war in Vietnam because there are so many Communists in high places in the United States government.

During his speech, MADOLE was heckled by four people in the audience who wore black eye patches and rattled newspapers. MADOLE told these four to shut up or leave the room. After a discussion with a police official these four people apparently agreed to cease their disturbing activities.

[redacted]  
December 9, 1967

V. ASSOCIATION WITH OTHER ORGANIZATIONS

On March 19, 1967, MADOLE and about ten of his followers from the NRP visited a meeting of the White Party of America (WPA) held in Alexandria, Virginia on that date. MADOLE was the principal speaker at this meeting and his speech consisted of an attack against Negroes and Jews and Communists in the United States and the bad effect they had on the administration of this country.

MADOLE said his NRP program would take care of the Negro and Jewish problem in the United States provided he can get it into operation in the future. According to MADOLE, the Christian of America is exploited by the Jew and the Negro has all the power he has because of the Jew who controls him.

MADOLE continued that the Jew does not want the war in Vietnam to end because if it does he will lose billions of dollars. President JOHNSON wants to keep the Jew happy and so does not want to see an end to the war in Vietnam.

Gentiles comprise almost the entire United States armed forces in Vietnam because all Jews of draft age are successful in obtaining college deferments.

The Jew is trying to take control of the United States with the Negro as a lackey under his control. In 1913 the Jews started to take over control of the government in the United States through the institution then of the Federal Reserve Act which gave the Jews greater control of the country's money, a control which belongs to Congress.

MADOLE, who spoke for about one and one-half hours, concluded by stating white people made America great but these same white people are permitting the Jews to take away this greatness.

NY 105-6129

On March 19, 1967, MADOLE also conferred with KARL ALLEN, leader of the WPA, and invited him to be a guest speaker at NRP rallies scheduled to be held later in the year in the Ridgewood and Yorkville sections of New York City.

VI. PUBLISHED STATEMENT BY SUBJECT

Subject is the editor of the "National Renaissance Bulletin" official organ of the NRP. This bulletin is published on a bi-monthly basis.

In an article in the March-April, 1967 issue of the "National Renaissance Bulletin" written by subject, b2 he speaks of the United States policy in South Vietnam b7D and says that "President LYNDON JOHNSON and the International Financiers who dominate our economic and political life have no intention of either winning or terminating the holocaust in Southeast Asia".

He continues in the article that a war won through the annihilation of Hanoi and Haiphong in North Vietnam would cause total economic collapse in the United States, a situation which "corrupt bureaucrats, International Financiers, and Jewish market operators and currency manipulators" do not wish to face.

MADOLE concludes in this article that "wars are truly the Jew's harvest" and that the only individuals who want the war to continue in its present state and who are benefitting from "American intervention in South Vietnam" are Jews.

NATIONAL RENAISSANCE PARTY (NRP)

On July 20, 1967, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of July 28, 1966, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.
2. Enact legislation to prohibit intermarriage between white and non-whites.

NATIONAL RENAISSANCE PARTY (CONTINUED)

3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.
4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.
5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world led by the Oriental colossus, Red China.

UNITED MAY DAY COMMITTEE

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, to supersede Guide published on January 2, 1957, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., sets forth the following concerning United May Day Committee:

1. "Found to be a 'Communist-front organization' within the meaning of the Internal Security Act of 1950 and ordered to register as such with the Attorney General.

"The function which constitutes the basic activity of the UMDC (United May Day Committee) involves a demonstration on or about the first day of May each year in New York City." "\*\*\* the May Day demonstration \*\*\* through 1952 involved a parade which terminated at Union Square, with a review of the parade contingents as they entered the Square by those in charge or participating. This always involved many of the (Communist) Party's highest leaders, followed by speeches by leaders of the various parade contingents who were usually called to the reviewing platform as they entered the Square. In 1953, 1954, and 1955, only the rally with speeches at Union Square was held, the parade permit having been denied by city authorities in 1953 and none having been applied for in 1954 and 1955. \*\*\* The UMDC, in short, promotes, arranges, and conducts the yearly May Day demonstration."

"The May Day demonstration is a Party function carried out through its creature, respondent (UMDC), to demonstrate to the rest of the world Communist movement the international solidarity and dedication of the Party to the objective of that movement, while seeking to create and intensify class conflicts here and gain American labor's acceptance of Party policies and programs. As conducted by respondent, the May Day demonstration is considered by the Party a manifestation of its leadership of the class struggle, an exercise of mass movement against capitalism.\*\*\*

APPENDIX CONTINUED

2.

UNITED MAY DAY COMMITTEE

"\*\*\* The Party has over the years, each spring, activated respondent and instituted preparations for the May Day demonstration, marshalling its entire apparatus from national to club level by intra-Party directives to carry out this demonstration in conjunction with respondent. It supports respondent financially and otherwise and through a predominance of its representatives in respondent, dominates and controls respondent in the performance of its functions.

"Each year respondent \*\*\* solicits and arranges for other organizations and individuals to participate in the demonstration; raises and disburses funds to defray the expenses involved; \*\*\* and its officers, predominantly Party members, preside over the demonstration." "Also, in the massive quantities of literature issued and distributed under its various names, in the placards and banners displayed and in the speeches and resolutions offered in Union Square, the precise policies and programs of the Party are widely propagated and support for their implementation urged."

"\*\*\* uncontradicted evidence compels the conclusion that respondent has been a continuous organization known as the 'United May Day Committee,' despite variations in its 'Formal' name. In 1946 and 1947, the formal name of the organization for May Day, '1948;' from 1949 through 1953, the 'United Labor and People's Committee for May Day;' in 1954, the 'Provisional Committee for the 69th Anniversary of May Day;' and in 1955, 'Provisional Workers and People's Committee for May Day.'"

(Subversive Activities Control Board, Docket No. 111-53, Report and Order with respect to the United May Day Committee, April 27, 1956, pp. 78, 4, 34, 35, 76, 77, 62, 59, 67 and 69.)

2. Cited as subversive and among the affiliates and committees of the Communist Party, U.S.A., which seeks "to alter the form of government of the United States by unconstitutional means".

WHITE PARTY OF AMERICA

On March 13, 1967, KARL ROGERS ALLEN, Jr., who identified himself as leader of the White Party of America (WPA), advised that he, with several other former members of the American Nazi Party (ANP), formed the WPA during the early part of 1964 in order to advance the cause of the white man in the United States and eventually throughout the world.

This organization was officially launched on April 11, 1964. The National Headquarter was transferred from 1216 New York Avenue, N. W., Washington, D.C., to 1019 King Street, Alexandria, Virginia on April 1, 1965.

It was initially the aim of the WPA to sponsor picketings and demonstrations where it was believed such would be of value to publicize its program through pamphlets and similar media.

ALLEN stated that the WPA is a racist-type organization with approximately fifty members, forty of whom are from the Washington, D.C. metropolitan area, approximately 150 persons or organizations subscribe to the official paper of the WPA, "The White World".

ALLEN stated that the purpose of the organization is political in nature and definitely non-subversive but adheres completely to the Constitution of the United States.

E. Interview

On March 1, 1968, JAMES HARTING MADOLE was interviewed by Special Agents (SAs) of the FBI at headquarters of the National Renaissance Party (NRP), 10 West 90th Street, New York City. At that time, MADOLE stated he had not travelled outside the New York City area except when he and other NRP members journeyed to Washington, D.C. to counterdemonstrate against pickets at the Pentagon opposing United States intervention in Vietnam.

A characterization of the NRP appears in the Appendix attached hereto.

He stated he intends to continue distributing NRP literature, holding rallies, et cetera, as long as he feels he can act as an effective counter measure to "communist and communist inspired activities".

MADOLE stated he did not have to exert himself to gain support and members for the NRP in that Americans were tired of supporting the "welfare state" with heavy tax burdens and felt the manner the United States forces were fighting in Vietnam was poor. He also advised that the white people of the country were becoming alarmed over cries of "black power" and the threat of black militants. He projected that the people who built America were not about to sit back and watch it being destroyed by irresponsible black hordes.

MADOLE predicted that eventually the NRP will be a decisive political power which will attract those citizens who have become disillusioned with the socialistic theories adopted by both major political parties in America.

NY 105-6129

MADOLE concluded by stating that he abhors violence and sees no purpose in it to effect any good. He stated that force was not necessary to propagate his ideas, because the chaos engendered by present policies of the United States government will perform that task for him.

A characterization of the WPA  
and NSWPP appear in the Appendix  
attached hereto.

The above sources advised that the objective of  
this convention was to consolidate the forces of the various  
right wing groups to fight Jewish and negro problems.

NATIONAL RENAISSANCE PARTY

On May 29, 1968, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of May 29, 1968, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.

2. Enact legislation to prohibit intermarriage between white and non-white.

3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.

NATIONAL RENAISSANCE PARTY

5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world led by the Oriental colossus, Red China.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,  
Also Known As The American Nazi Party,  
American Nazis, The World Union of Free  
Enterprise National Socialists, The  
George Lincoln Rockwell Party

On May 29, 1968, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP-WUFENS) was organized by GEORGE LINCOLN ROCKWELL at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by ADOLF HITLER. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews, and Communists, through speeches, published literature, demonstrations, and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party", according to Commander ROCKWELL.

On August 25, 1967, GEORGE LINCOLN ROCKWELL was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967, issue of the "Northern Virginia Sun", a daily newspaper published at Arlington, Virginia, stated that MATTHIAS KOEHL, Jr., took command of the Party after ROCKWELL's assassination.

WHITE PARTY OF AMERICA

On September 16, 1965, KARL ROGERS ALLEN, JR., who identified himself as the leader of the White Party of America (WPA), advised that he, along with several other former members of the American Nazi Party (ANP), formed the WPA during the early part of 1964, in order to advance the cause of the white man in the United States and eventually throughout the world.

This organization was officially launched on April 11, 1964, when it sponsored picketing in Washington, D.C., Richmond, Virginia, and Baltimore, Maryland, in opposition to civil rights legislation and civil rights demonstrations. Its national headquarters was transferred from 1216 New York Avenue, N.W., Washington, D.C., to 1019 King Street, Alexandria, Virginia, on April 1, 1965.

It was initially the aim of the WPA to sponsor picketings and demonstrations where it was believed such would be of value and to publicize its program through pamphlets and similar media. The WPA has been inactive due to a lack of funds and its only publications to date have been the April and May, 1964, issues of its official publications, "The White Letter."

He added that the WPA is still in the formative stage but it will uphold the Constitution of the United States and will always act within the limits of the law. He noted that the WPA will serve as a "home for people who want to preserve the white race" and cannot find a home for themselves in either of the major political parties in the United States.

A characterization of the National Socialist White People's Party, also known as the American Nazi Party, is set out separately.

### III. IDENTIFICATION RECORD

Records of the Identification Division, New York City Police Department, New York City, New York, as reviewed on July 28, 1971 disclosed that JAMES HARTING MADOLE, male Caucasian, born July 7, 1927 at New Bedford, Massachusetts, resides 10 West 90th Street, New York City, possesses New York City Police Department Identification Number B 548205.

~~CONFIDENTIAL~~

NY 105-6129

This record shows that MADOLE was arrested by the New York City Police Department at the Port Authority Bus Terminal of New York on January 17, 1971. MADOLE was charged with "possession of weapon (knife), assault, third degree, and harassment". New York City Police Department records indicate these charges were subsequently dismissed.

This source advised that the above arrest occurred when MADOLE, with other NRP members, were passing out NRP literature at the Port Authority Bus Terminal. They got into a dispute with members of the Jewish Defense League (JDL). MADOLE was held in jail overnight, whereupon the charges were dismissed and he was released.

b2  
b7D

March 18, 1971

The JDL, founded in 1968, is composed primarily of young Jewish militants who consider themselves as defenders of "Jewish Rights." Demonstrations attempting to dramatize the Jewish problem in Russia, and similar demonstrations against Arab establishments have often resulted in violence. Rabbi MEIR KAHANE, founder and National Director, has stated publicly on many occasions that violence is sometimes necessary to accomplish the aims of the JDL.

Subject is the National Director of the National Renaissance Party (NRP), a white hate organization of limited scope and activity. The NRP does publish, however, the "National Renaissance Bulletin" which is available for national distribution and subject continues to be involved in antiblack and anti-Semitic activity. Referenced letter rejected subject for inclusion on the ADEX because no information had been developed indicating subject would be a danger to the internal security of the United States. ReBulet to NY, dated 9/2/71.

Relet reflects as follows:

"While information available indicates subject is a leader in a white extremist organization being founder and current National Director of the National Renaissance Party (NRP), there is no information indicating he would be a danger to the internal security of the US in time of a national emergency. Your recommendation that subject be placed on Security Index (SI) is therefore denied."

MADOLE was interviewed by BuAgents on 3/1/68. During the interview, MADOLE stated that he abhors violence and sees no purpose in it to effect any good. He stated that force was not necessary to propogate his ideas because the chaos engendered by present policies of the US Government will perform that task for him.

On 4/2/71, MADOLE was attacked by an individual who hit him in the head with a brick. It was anticipated that at that time MADOLE would have to have a metal plate placed in his head.

The history of the NRP is one reflecting an organization of insignificant influence within the right wing movement and one which could be characterized as a source of income for MADOLE through the sale of the "National Renaissance Bulletin".

In view of the remarks set forth in reBulet, NY is not recommending MADOLE be placed on the ADEX. His activities will continue to be monitored and if at such time it is the opinion of the New York Office that he can justifiably be placed upon the ADEX, the recommendation will be made at that time.

JAMES H. MADOLE Summary

The central files of this Bureau reveal that one James Harting Madole, born July 7, 1927, New Bedford, Massachusetts, founded, in 1949, the National Renaissance Party (NRP) and continues to serve as its national director. A source, who has furnished reliable information in the past, advised that the NRP is headquartered in Madole's residence at 10 East 90th Street, Apartment C, New York, New York, where weekly meetings are held. The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the U.S. Constitution in order to carry out the NRP program. The source further advised that as of April 16, 1970, the NRP program remained in effect and included intentions to prohibit intermarriage by the races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent Black African nations. (62-83296)

The NRP is still functioning as an organization and is still headed by James H. Madole.
